Fiscal Impact Summary

This bill provides that a public school may not contract with private entities for the supervision, sanctioning, or regulation of interscholastic competitions unless the entity requires a charter school or private school member accepting a student from outside of the public high school attendance zone in which the charter school member or private school member is located to compete at a classification level of competition that is two levels above the classification level in which it otherwise would participate based on its enrollment. The bill specifies that this requirement does not apply to a charter school or private school member already competing at the highest classification level of competition.

The expenditure impact of this bill on the S.C. Department of Education (SCDE) and the local school districts is pending, contingent upon a response.
