

2025 South Dakota Legislature

House Bill 1010

Introduced by: **Representative Venhuizen**

1 **An Act to require cost model reports for certain programs and institutions.**

2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

3 **Section 1. That a NEW SECTION be added to chapter 4-7:**

4 Beginning in fiscal year 2026, and every three years thereafter, each of the
 5 following departments or boards shall submit, separately from the budget report, a cost
 6 model report to the Legislature for the listed programs and institutions under the
 7 department's or board's control, by the deadline provided in in § 4-7-9:

8 (1) The Board of Regents, for the following institutions:

9 (a) University of South Dakota;

10 (b) South Dakota State University;

11 (c) South Dakota School of Mines and Technology;

12 (d) Northern State University;

13 (e) Black Hills State University;

14 (f) Dakota State University;

15 (g) South Dakota School for the Deaf; and

21 (d) Western Dakota Technical College;

22 (3) The Department of Education, for the following programs:

23 (a) State aid to general education; and

24 (b) State aid to special education;

25 (4) The Department of Corrections, for the following institutions:

26 (a) Mike Durfee State Prison;

- 1 **(b) Yankton Minimum Center;**
- 2 **(c) Rapid City Minimum Center;**
- 3 **(d) South Dakota State Penitentiary;**
- 4 **(e) Sioux Falls Minimum Center;**
- 5 **(f) Jameson Prison;**
- 6 **(g) South Dakota Women's Prison; and**
- 7 **(h) Pierre Minimum Center;**
- 8 **(5) The Department of Human Services, for the South Dakota Developmental Center;**
- 9 **(6) The Department of Social Services, for the Human Services Center; and**
- 10 **(7) The Department of Veterans Affairs, for the State Veterans Home.**

11 Both the joint committee on appropriations and the special committee established
 12 in § 4-8A-2 may provide for the standardization of cost model reports.

13 For purposes of this section, "cost model report" means a funding model describing
 14 in detail, over the last five fiscal years, the variable and fixed costs of delivering services
 15 via the program or institution, the full-time equivalent staffing level employed, the number
 16 of people served, revenues earned by source, and any other factors, data, or analysis the
 17 joint committee on appropriations or the special committee determines is necessary.
