

AN ACT

ENTITLED, An Act to provide for openness in certain electronic records databases and to open certain information regarding electronic record systems.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as follows:

A public entity that creates or maintains an electronic public records database or that enters into a contract for an electronic public records database shall consider the cost and affordability of public access.

Section 2. That chapter 1-27 be amended by adding thereto a NEW SECTION to read as follows:

A public entity shall make available, upon request, the following documentation for each electronic records system:

- (1) A narrative description of the system purpose and functionality; and
- (2) Such information as may be reasonably necessary for a member of the public to request the public information that is stored in the electronic records system.

An Act to provide for openness in certain electronic records databases and to open certain information regarding electronic record systems.
