

2024 South Dakota Legislature

House Bill 1188

Introduced by: **Representative Mulally**

1 **An Act to revise the process by which a legislative vacancy is filled.**

2 **Section 1. That a NEW SECTION be added to chapter 3-4:**

3 If a vacancy occurs in either house of the Legislature, the Governor must appoint
 4 a person to fill the vacancy from a list of three candidates submitted by the central
 5 committees of the former legislator's political party in the counties comprising the vacant
 6 legislative district within ninety days of receiving the list. The central committees of the
 7 former legislator's political party in the counties comprising the vacant legislative district
 8 shall submit the list of three candidates to the Governor within thirty days of the vacancy
 9 occurring.

10 If any of the counties comprising the vacant legislative district do not have a central
 11 committee of the former legislator's political party, the statewide central committee of the
 12 former legislator's political party must represent the county without a central committee.

13 If the Legislature is in session when the vacancy occurs, the central committees of
 14 the former legislator's political party in the counties comprising the vacant legislative
 15 district must submit the list of three candidates to the Governor within five days of the
 16 vacancy occurring, and the Governor must make the appointment within ten days of
 17 receiving the list.
