1 FOR AN ACT ENTITLED, An Act to implement the regulation of insurance coverage for
2 portable electronic devices.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. Terms used in this Act mean:

5 (1) "Customer," a person who purchases portable electronics;

6 (2) "Enrolled customer," a customer who elects coverage under a portable electronics
7 insurance policy issued to a vendor of portable electronics;

8 (3) "Location," any physical location in this state or any website, call center site, or
9 similar location directed to residents of this state;

10 (4) "Portable electronics," personal, self-contained, easily carried by an individual,
11 battery-operated electronic communication, viewing, listening, recording, gaming,
12 computing, or global positioning devices, including cell or satellite phones, pagers,
13 personal global positioning satellite units, portable computers, portable audio
14 listening, video viewing or recording devices, digital cameras, video camcorders,

1 portable gaming systems, docking stations, automatic answering devices, and other
2 similar devices and their accessories, and service related to the use of such devices;

3 (5) "Portable electronics transaction," the sale or lease of portable electronics by a vendor
4 to a customer, or the sale of a service related to the use of portable electronics by a
5 vendor to a customer;

6 (6) "Supervising entity," a licensed insurer, licensed business entity, or licensed
7 insurance producer that is appointed by an insurer to supervise the administration of
8 a portable electronics insurance program;

9 (7) "Vendor," a person in the business of engaging in portable electronics transactions
10 directly or indirectly.

11 Section 2. Portable electronics insurance is insurance providing coverage for the repair or
12 replacement of portable electronics which may provide coverage for portable electronics against
13 any one or more of the following causes of loss: loss, theft, inoperability due to mechanical
14 failure, malfunction, damage, or other similar causes of loss. It is not a service contract or
15 extended warranty providing coverage limited to the repair, replacement, or maintenance of
16 property for the operational or structural failure of property due to a defect in materials,
17 workmanship, accidental damage from handling power surges, or normal wear and tear, a policy
18 of insurance covering a seller's or a manufacturer's obligations under a warranty, or a
19 homeowner's, renter's, private passenger automobile, commercial multi-peril, or similar
20 coverage.

21 Section 3. A vendor must have a portable electronics license issued pursuant to this Act to
22 sell or offer coverage under a policy of portable electronics insurance. A portable electronics
23 license issued under this Act authorizes any employee or authorized representative of the vendor
24 to sell or offer coverage under a policy of portable electronics insurance to a customer at each

1 location at which the vendor engages in portable electronics transactions. Each supervising
2 entity shall maintain a registry of vendor locations which are authorized to sell or solicit portable
3 electronics insurance coverage in this state. The registry shall be open to inspection by the
4 director during regular business hours of the supervising entity. The supervising entity shall be
5 subject to examination pursuant to the applicable provisions of chapter 58-3 and must otherwise
6 comply with § 58-33-66.

7 Section 4. At every location where portable electronics insurance is offered to customers,
8 brochures or other written materials must be made available by a vendor to a prospective
9 customer which:

- 10 (1) Disclose that portable electronics insurance may provide a duplication of coverage
11 already provided by a customer's homeowner's insurance policy, renter's insurance
12 policy, or other source of coverage;
- 13 (2) State that the enrollment by the customer in a portable electronics insurance program
14 is not required in order to purchase or lease portable electronics or services;
- 15 (3) Summarize the material terms of the insurance coverage, including:
 - 16 (a) The identity of the insurer;
 - 17 (b) The identity of the supervising entity;
 - 18 (c) The amount of any applicable deductible and how it is to be paid;
 - 19 (d) Benefits of the coverage; and
 - 20 (e) Key terms and conditions of coverage such as whether portable electronics
21 may be repaired or replaced with similar make and model reconditioned or
22 nonoriginal manufacturer parts or equipment;
- 23 (4) Summarize the process for filing a claim, including a description of how to return
24 portable electronics and the maximum fee applicable in the event the customer fails

1 to comply with any equipment return requirements; and

2 (5) State that an enrolled customer may cancel enrollment for coverage under a portable
3 electronics insurance policy at any time and the person paying the premium shall
4 receive a refund of any applicable unearned premium.

5 Section 5. Portable electronics insurance may be offered on a month to month or other
6 periodic basis as a group or master commercial inland marine policy issued to a vendor of
7 portable electronics for its enrolled customers. Eligibility and underwriting standards for
8 customers electing to enroll in coverage shall be established by the insurer for each portable
9 electronics insurance program.

10 Section 6. An employee or an authorized representative of a vendor may sell or offer
11 portable electronics insurance to a customer and is not subject to licensure as an insurance
12 producer if:

13 (1) The vendor obtains a portable electronics license to authorize its employees or
14 authorized representatives to sell or offer portable electronics insurance pursuant to
15 this Act;

16 (2) The insurer issuing the portable electronics insurance either directly supervises or
17 appoints a supervising entity to supervise the administration of the sale of portable
18 electronic insurance; and

19 (3) No employee or authorized representative of a vendor of portable electronics may
20 advertise, represent, or otherwise hold himself or herself out as a licensed insurance
21 producer unless so licensed.

22 Section 7. The administration of the sale of portable electronics insurance includes the
23 development of a training program for employees and authorized representatives of the vendors.
24 The training shall be delivered to employees and authorized representatives of vendors who are

1 directly engaged in the activity of selling or offering portable electronics insurance. The training
2 may be provided in electronic form. However, if conducted in an electronic form, the
3 supervising entity shall implement a supplemental education program regarding the portable
4 electronics insurance product that is conducted and overseen by a licensed producer of the
5 supervising entity. Each employee and authorized representative shall receive basic instruction
6 about the portable electronics insurance offered to customers and the disclosures required under
7 section 4 of this Act.

8 Section 8. Any charges for portable electronics insurance coverage may be billed and
9 collected by the vendor of portable electronics. Each charge to the enrolled customer for
10 coverage that is not included in the cost associated with the purchase or lease of portable
11 electronics or related services shall be separately itemized on the enrolled customer's bill. If the
12 portable electronics insurance coverage is included with the purchase or lease of portable
13 electronics or related services, the vendor shall clearly and conspicuously disclose to the
14 enrolled customer that the portable electronics insurance coverage is included with the portable
15 electronics or related services. A vendor billing and collecting these charges is not required to
16 maintain these funds in a segregated account if the vendor is authorized by the insurer to hold
17 these funds in an alternative manner and remits such amounts to the supervising entity within
18 sixty days of receipt. All funds received by a vendor from an enrolled customer for the sale of
19 portable electronics insurance shall be considered funds held in trust by the vendor in a fiduciary
20 capacity for the benefit of the insurer. A vendor may receive compensation for billing and
21 collection services.

22 Section 9. An insurer may terminate or otherwise change the terms and conditions of a
23 policy of portable electronics insurance only upon providing the vendor policyholder and
24 enrolled customers with at least twenty days notice. If the insurer changes the terms and

1 conditions, then the insurer shall provide the vendor policyholder with a revised policy or
2 endorsement and each enrolled customer with a revised certificate, endorsement, updated
3 brochure, or other evidence indicating a change in the terms and conditions has occurred and
4 a summary of material changes.

5 Section 10. An insurer may terminate an enrolled customer's enrollment under a portable
6 electronics insurance policy upon twenty days notice for nonpayment of premium, discovery of
7 fraud, or material misrepresentation in obtaining coverage or in the presentation of a claim under
8 the policy.

9 Section 11. An insurer may immediately terminate an enrolled customer's enrollment under
10 a portable electronics insurance policy:

11 (1) If the enrolled customer ceases to have an active service with the vendor of portable
12 electronics; or

13 (2) If an enrolled customer exhausts the aggregate limit of liability, if any, under the
14 terms of the portable electronics insurance policy and the insurer sends notice of
15 termination to the enrolled customer within thirty calendar days after exhaustion of
16 the limit. However, if notice is not timely sent, enrollment shall continue
17 notwithstanding the aggregate limit of liability until the insurer sends notice of
18 termination to the enrolled customer.

19 Section 12. If a portable electronics insurance policy is terminated by a vendor policyholder,
20 the vendor policyholder shall mail or deliver a written notice to each enrolled customer advising
21 the enrolled customer of the termination of the policy and the effective date of termination. The
22 written notice shall be mailed or delivered to the enrolled customer at least thirty days before
23 the termination.

24 Section 13. Whenever notice or correspondence with respect to a policy of portable

1 electronics insurance is required, it shall be in writing and sent within the notice period, if any,
2 specified within the statute or regulation requiring the notice or correspondence.
3 Notwithstanding any other provision of law, notices and correspondence may be sent either by
4 mail or by electronic means. If the notice or correspondence is mailed, it shall be sent to the
5 vendor of portable electronics at the vendor's mailing address specified for that purpose and to
6 its affected enrolled customers' last known mailing addresses on file with the insurer. Either the
7 insurer or vendor of portable electronics shall maintain proof of mailing in a form authorized
8 or accepted by the United States Postal Service or other commercial mail delivery service. If the
9 notice or correspondence is sent by electronic means, it shall be sent to the vendor of portable
10 electronics at the vendor's electronic mail address specified for that purpose and to its affected
11 enrolled customers' last known electronic mail address as provided by each enrolled customer
12 to the insurer or vendor of portable electronics. An enrolled customer's provision of an
13 electronic mail address to the insurer or vendor of portable electronics is deemed consent to
14 receive notices and correspondence by electronic means as long as a disclosure is provided to
15 the customer at the time the electronic mail address is provided indicating the same. The insurer
16 or vendor of portable electronics shall maintain proof that the notice or correspondence was
17 sent. Notice or correspondence may be sent on behalf of an insurer or vendor, by the supervising
18 entity appointed by the insurer.

19 Section 14. A portable electronics license issued under this Act is valid for one year unless
20 suspended or revoked by the division. A license may be renewed upon expiration for another
