AMEND Senate Bill No. 628*

House Bill No. 1056

by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 69-3-141(a), is amended by adding the following as a new subdivision:

() Construction stormwater permitting required pursuant to § 69-3-108 should be based on the activities described in the permit application and conditions that exist at the time the permit application is under consideration, rather than possible future conditions unrelated to the activities for which the permit is sought as identified in the application; this subdivision (a)() does not apply to or impact permitting relating to any other activities described in § 69-3-108(b), and only applies to construction stormwater permitting;

SECTION 2. Tennessee Code Annotated, Section 69-3-141(b), is amended by adding the following as a new subdivision:

() Construction stormwater permit applicants shall have the right to have their permit applications considered based on the activities described in the permit application and conditions that exist at the time the permit application is under consideration, rather than possible future conditions unrelated to the activities for which the permit is sought as identified in the application;

SECTION 3. This act takes effect January 1, 2024, the public welfare requiring it.
