maintenance of licensure tied to maintenance of certification. The board's regular requirements, including continuing medical education, demonstrate professional competency.

(c) The board shall not require any form of specialty medical board re-certification or any maintenance of certification to practice medicine in this state.

SECTION 2. Tennessee Code Annotated, Title 63, Chapter 9, is amended by adding the following as a new section to be appropriately designated:

(a) As used in this section:

(1) "Continuing medical education" means continued postgraduate medical education required by the board of osteopathic medical examination intended to provide medical professionals with knowledge of new developments or reinforcement of previously learned information in their field;

(2) "Maintenance of certification" means any process requiring periodic recertification examinations or other activities to maintain specialty medical board certification;

(3) "Maintenance of licensure" means the proprietary framework for physician license renewal established through the Federation of State Medical Boards or its successor organization, which includes additional periodic testing or requirements other than continuing medical education; and

(4) "Specialty medical board certification" means certification by a board that specializes in one (1) particular area of medicine and typically requires

additional examinations other than the board of osteopathic examination's requirements to practice medicine.

(b) The board shall not deny a physician licensure based on a physician's non-participation in any form of maintenance of licensure, including requiring any form of maintenance of licensure tied to maintenance of certification. The board's regular requirements, including continuing medical education, demonstrate professional competency.

(c) The board shall not require any form of specialty medical board recertification or any maintenance of certification to practice medicine in this state.

### SECTION 3.

(a) There is appointed a task force to study the issues created by the maintenance of certification process for Tennessee physicians.

(b) The chairs of the health committee of the house of representatives and the commerce and labor committee of the senate shall appoint three (3) members each to the task force. The most senior member of the task force shall serve as chair.

(c) Representatives from hospitals, the insurance industry, the physician community, and the American Board of Medical Specialties shall provide information to the task force upon request.

(d) Task force meetings shall be open to the public, with proper notice being provided in advance of the meetings. The public and citizens of this state shall have a reasonable opportunity to be heard.

(e) The task force shall review the overall maintenance of certification process and shall review the use of maintenance of certification by hospitals, insurance companies, and entities that license Tennessee physicians. The task force shall also strategize and make recommendations for improvement of the current process, as well

as reviewing alternatives that can be created to replace maintenance of certification, including but not limited to, an expansion of continuing medical education.

(f) The staff for the health committee of the house of representatives and the commerce and labor committee of the senate is authorized to provide support to the task force if requested by the chair of the taskforce.

(g) The task force shall provide a report with recommendations to the health committee of the house of representatives and the commerce and labor committee of the senate by January 15, 2018, at which time it shall cease to exist.

SECTION 4. This act shall take effect upon becoming a law, the public welfare requiring it.
