AMEND Senate Bill No. 1858

House Bill No. 1632*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 49-6-3803, is amended by adding the following as a new subsection:

(f) A student, a student's parent or guardian, or a school employee has standing to file a civil action against the LEA or public charter school in which the student is enrolled, or the school employee is employed, in a chancery court of competent jurisdiction if the LEA or public charter school fails to implement the requirements of this section. This subsection (f) does not create a right to appeal a determination made by a local board of education, public charter school governing body, or the state textbook and instructional materials quality commission concerning the age-appropriateness or suitability of a material in a school library collection to a chancery court.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
