(2) Compliance includes the discharge of pollutants for which no standard or limit is set forth in the permit if:

(A) The permit holder complies with applicable reporting and disclosure requirements under this part; and

(B) The discharge of pollutants is disclosed to the department in such a manner that the discharge is within the reasonable contemplation of the department at the time of issuance of the final permit.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
