FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 50 - SB 68

January 29, 2019

SUMMARY OF BILL: Requires the Tennessee Historical Commission (THC) to erect suitable signs for naming and designating the visitor center at the Carter House Historic Site in Franklin in honor of the late Herbert L. Harper.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$1,000/One-Time/Tennessee Historical Commission

Assumptions:

- The THC is administratively attached to the Department of Environment and Conservation (TDEC).
- Based on information provided by TDEC, the current project budget for the visitor center does not include signage. Therefore, it is assumed that no funding has been made available for the purpose of erecting signs for this project; and that passage of this legislation will effectively require signage as proposed to be included as part of the overall project.
- The legislation requires signage costs to be paid by the THC from existing resources.
- Based on information provided by TDEC, the one-time increase in state expenditures to the THC is estimated to be \$1,000.
