

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 313 - HB 387

February 8, 2017

SUMMARY OF BILL: Revises definitions related to the practice of chiropractic and chiropractic physicians. Changes requirements related to the composition, powers, and duties of the Board of Chiropractic Examiners (Board). Increases, from \$50 to \$100, the per diem each member of the Board receives when engaged in the official duties of the Board.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$1,200/Board of Chiropractic Examiners

Other Fiscal Impact - Pursuant to Tenn. Code Ann. § 4-29-121, the Board of Chiropractic Examiners is required to be self-supporting over any two-year period. As of June 30, 2016, the Board had a cumulative reserve balance of \$500,907. Any increase in Board expenditures incurred as a result of this bill can be handled within the Board's existing resources without an increase to fee revenue.

Assumptions:

- The Board consists of seven members - five certified chiropractors and two members of the public; one of the Board seats is currently vacant and is assumed to remain vacant into perpetuity. The Board meets four times per year and board members currently receive, in addition to travel reimbursement, \$50 per day when engaged in the official duties of the board.
- Based on information provided by the Board, the average annual board expenditures incurred from per diem payments is \$1,200 (6 members x 4 meetings x \$50).
- Increasing the per diem from \$50 to \$100 will double the total per diem payments currently received by members, from \$1,200 to \$2,400, for a total increase in board expenditures of \$1,200 (\$2,400 - \$1,200).
- Pursuant to Tenn. Code Ann. § 4-29-121, all health related boards are required to be self-supporting over a two-year period. The Board of Chiropractic Examiners had an annual deficit of \$8,569 in FY14-15, an annual surplus of \$468,182 in FY15-16, and a cumulative reserve balance of \$500,907 on June 30, 2016.
- The Board has current revenue sufficient to cover the increase in expenditures that is assumed to be incurred as a result of this legislation.
