

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 751 – SB 796

March 20, 2023

SUMMARY OF BILL: Authorizes any candidate for public office in this state to use unexpended campaign funds which remain after the election for reimbursement of expenditures on child care or dependent care, as defined, that are incurred by the candidate as a direct result of such candidate's participation in campaign-related events and activities and that would not exist without the candidate's candidacy. Establishes that the use of such funds for the valid reimbursement of child care or dependent care expenditures does not constitute a disbursement of funds for a candidate's personal use.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- As defined in the proposed legislation, expenditures for child care or dependent care means expenditures incurred directly by a candidate for the care of a minor child, a person aged 65 or older, or a person with documented disability or a medical condition who requires routine assistance.
- The proposed legislation involves the use of unexpended funds made available to a candidate for public office as provided from non-public entities; therefore, the fiscal impact on state or local governments is estimated to be not significant.
