

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 508 - HB 783

March 21, 2019

SUMMARY OF BILL: Requires that a medical student in good academic standing with an accredited medical college in this state to receive priority consideration over a medical student attending medical college outside of this state, in the process of assigning clinical rotations to a healthcare facility that contracts with a state medical school or accepts state funding.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the University of Tennessee (UT), the provisions in this legislation could result in reduced payments from revenue sharing agreements with UT Health Science Center's affiliated hospitals as a result of prioritizing good academic medical students in this state when assigning clinical rotations to certain healthcare facilities; however, any overall impact is estimated to be not significant.
- Passage of this legislation will not result in any significant impact to the health related boards, the Board of Medical Examiners, or the Department of Health.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
