

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 988 - SB 1038

March 10, 2021

SUMMARY OF BILL: Adds response and operations standards, standards for communications, and records and forms to the types of standards the Emergency Medical Services (EMS) Board can promulgate related to licensure of air ambulance services and special personnel equipment operation and activities.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the Department of Health (DOH), the EMS Board can establish standards for licensure of air ambulance services and special equipment operation and activities through promulgation of rules during regularly-scheduled Board meetings within existing resources of the Board.
- The EMS Board may impose fees to offset a portion or all of the Board's incurred expenditures; however, such Board is not required to be self-supporting. All fees collected by the Board are deposited by the DOH with the State Treasurer to the credit of the General Fund and shall be expended by the Department and included in the appropriation made for the Board in the General Appropriations Act.
- Any change in expenditures to the Board is estimated to be not significant.
- The EMS Board had a net deficit of \$173,669 in FY18-19 and a net deficit of \$1,270 in FY19-20.

IMPACT TO COMMERCE:

NOT SIGNIFICANT

Assumption:

- The proposed legislation will not have a significant impact on commerce or jobs in Tennessee.
