

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 628 - HB 1056

March 6, 2023

SUMMARY OF BILL AS AMENDED (005012): Requires that the permitting process for construction stormwater permits issued under the *Water Quality Control Act of 1977* be based on the activities described in the permit application and conditions that exist at the time the permit application is under consideration, rather than possible future conditions unrelated to the purposes for which the permit is sought, as identified in the application.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumptions for the bill as amended:

- Based on information provided by the Department of Environment and Conservation, this legislation is not estimated to have any significant impact on its current operations, including the number of construction stormwater permits issued by the Division of Water Resources.
- Further, no additional rulemaking will be required.
- There will be no significant impact to state or local government expenditures or revenue.

CERTIFICATION:
