SUMMARY OF BILL AS AMENDED (016783): Expressly prohibits an individual who is not a citizen of the United States from voting in a federal, state, or local election and for a county, municipality, or other political subdivision of this state from granting voting rights to a person who is not a United States citizen. Authorizes certain information received from the Coordinator of Elections to be utilized in an address verification program implemented by a county election commission. Requires a federal jury coordinator to provide certain information regarding disqualified jurors to the Coordinator of Elections when selecting jurors from a list of registered voters.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumptions for the bill as amended:

- Pursuant to Tenn. Code Ann. § 2-2-141, non-citizens of the United States are not permitted register to vote in any political subdivision of this state; expanding this prohibition to encompass the act of voting itself will have no effect on state or local government.
- A county election commission implementing an address verification program can incorporate additional information using existing resources.
- Requiring a federal jury coordinator to provide certain information to the Coordinator of Elections will have no impact on state or local government.
- Any fiscal impact to state or local government is estimated to be not significant.
