FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 2063

January 28, 2024

SUMMARY OF BILL: Requires the Air Pollution Control Board to report to the government operations committees of the House of Representatives and the Senate regarding filling more than one vacancy that is over 150 days of duration, rather than 180 days.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- The government operations committees meet on a monthly basis throughout the year. Therefore, requiring the board to report to the committees if the board has more than one vacancy that is over 150 days, rather than 180 days, in duration will not necessitate any additional committee meetings. Any impact on state expenditures will be not significant.
