

HOUSE BILL 1232

By Dennis

AN ACT to amend Tennessee Code Annotated, Title 9,
Chapter 8, Part 3, relative to the Tennessee
claims commission.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 9-8-306, is amended by deleting the language in its entirety and substituting it instead with the following:

The commission is authorized to promulgate rules and regulations not inconsistent with this chapter in order for it to fulfill its duties in an orderly and efficient manner, including, but not limited to establishing rules and regulations relative to procedures, hearings and fees.

SECTION 2. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 3. This act shall take effect immediately upon becoming a law, the public welfare requiring it.
