Chapter 24, Part 1, relative to compensation of  
county officials.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 8-24-102, is amended by adding the following language as a new, appropriately designated subsection:

( )

(1) Notwithstanding any provision of this section to the contrary, the compensation of the county officials shall not be increased in any year in which the salary of other county employees is not increased.

(2) In addition, if the population of the county is increased, based on the 2010 or later federal census, to a degree that the county would move into another category for computing general officers minimum compensation as provided in this section, the county shall continue to base the minimum compensation for all officials to which this section applies on the population of the county based on the federal census in effect prior to such 2010 or later federal census until the salary of other county employees is increased.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
