

HOUSE BILL 2641

By Cooper B

AN ACT to amend Tennessee Code Annotated, Title 4;
Title 49 and Title 50, relative to geographic
information system technology.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The state board of education is directed to study the issues relating to and the benefits associated with appropriately integrating geographic information technology into school curricula for career and technical education. The board shall report its findings to the house and senate education committees on or before March 1, 2011.

SECTION 2. The commissioner of labor and workforce development is directed to study the issues relating to and the benefits associated with appropriately integrating geographic information technology into adult education curricula. The commissioner shall report his or her findings to the house and senate education committees on or before March 1, 2011.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
