If the ice cream truck owner has provided copies of Ice Cream Truck Worker Identification Cards, has complied with subsection (b) and a local permit is necessary for lawful operation of the ice cream truck, then the issuance of a permit may not be delayed or denied on the basis that an ice cream truck owner has failed to provide the name, address, or background of or any other information related to ice cream truck workers.

(b) Each year prior to any ice cream truck beginning operation in any municipality or county and prior to issuance of any such permit, the department shall cause to be inspected each ice cream truck, including its equipment, records, and operational procedures, annually, or whenever such inspection is deemed necessary in order to
