WHEREAS, Native Americans are the descendants of the aboriginal, indigenous, native people who were the original inhabitants of the United States; and

WHEREAS, Native Americans have volunteered to serve in the United States Armed Forces and have served with valor in all of the nation’s military actions, from the Revolutionary War through the present day, and, in most of those actions, more American Indians per capita served in the Armed Forces than any other group of Americans; and

WHEREAS, American Indians have made distinct and significant contributions to Tennessee, the United States, and the rest of the world in many fields, including agriculture, medicine, music, language, and art, and Native Americans have distinguished themselves as inventors, entrepreneurs, spiritual leaders, and scholars; and
