A RESOLUTION designating March 2009 as “Certified
Government Financial Manager Month.”

WHEREAS, the Nashville Chapter of the Association of Government Accountants is a professional organization that is associated with and a part of the Association of Government Accountants (AGA), which is a network of 15,000 members in 89 chapters in the United States and around the world. Approximately 373 members, individuals employed as state, federal, municipal, and private sector accountants, auditors, and financial managers, are active within the State of Tennessee; and

WHEREAS, AGA Nashville Chapter members have responded to AGA’s mission of “Advancing Government Accountability,” as they have continued their broad educational efforts with an emphasis on high standards of conduct, honor, and character; these members are also making significant advances in both professional ability and service to the citizens of Tennessee through their mastery of increasingly technical and complex requirements; and

WHEREAS, the Certified Government Financial Manager (CGFM) program of AGA provides for the demonstration of professionalism and competency by requiring CGFM candidates to have an appropriate educational and employment history, to abide by AGA’s Code of Ethics, and to pass a three-part examination requiring expertise in Governmental Environment; Government Financial Management and Control; and Governmental Accounting, Financial Reporting, and Budgeting. The program also requires each CGFM holder to maintain certification by completing at least eighty hours of continuing professional education in government financial management topics or related technical subjects every two years; and

WHEREAS, it is appropriate that this General Assembly recognize and honor the Certified Government Financial Manager program for its impact on the profession of accounting in Tennessee; now, therefore,
