

SENATE BILL 1854

By Lundberg

AN ACT to amend Tennessee Code Annotated, Title 49,  
relative to course requirements.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1.

(a) The state board of education, in collaboration with the department of education, shall conduct a study to identify math courses that may be substituted for Algebra II for purposes of satisfying high school graduation requirements.

(b) By October 15, 2024, the state board of education shall submit a report on the study conducted under subsection (a) together with recommendations for math courses suitable for addition to the state board's list of approved high school courses as a substitute for Algebra II to the education committee of the senate, the education administration committee of the house of representatives, and the education instruction committee of the house of representatives.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
