

SENATE BILL 2031

By Reeves

AN ACT to amend Tennessee Code Annotated, Title 4;  
Title 8; Title 9; Title 20; Title 33; Title 39; Title 47;  
Title 53; Title 56; Title 63; Title 68 and Title 71,  
relative to drugs.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The commissioner of health shall conduct a study of laws in contiguous states concerning requirements for prescribing and dispensing medication. The commissioner shall compile a report of findings from the study and submit a copy of the report to the chair of the health and welfare committee of the senate, the chair of the health committee of the house of representatives, and the legislative librarian on or before December 31, 2024.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
