

SENATE BILL 2132

By Finney L

AN ACT to amend Tennessee Code Annotated, Title 4,  
Chapter 3 and Title 49, Chapter 9, relative to the  
West Tennessee solar farm.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The University of Tennessee, through its partnership with the Oak Ridge National Laboratory, shall develop a plan that will, by 2013, double the output of the West Tennessee solar farm over that originally planned for the solar farm. The university shall strive to use Tennessee contractors and products in the expansion whenever possible. As part of the planning process, the department of economic and community development division of energy shall assist the university in seeking and obtaining the resources needed to accomplish the doubling of the solar farm's output.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
