BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 55-9-108, is amended by deleting the existing language, which presently reads:

and substituting instead the following:

(a) For purposes of this section:

(1) "Airbag" means a motor vehicle inflatable occupant restraint system device that is part of a supplemental restraint system;

(2) "Counterfeit supplemental restraint system component" means a replacement supplemental restraint system component, including, but not limited to, an airbag, that displays a mark identical to, or substantially similar to, the genuine mark of a motor vehicle manufacturer or a supplier of parts to the manufacturer of a motor vehicle without authorization from that manufacturer or supplier, respectively;

(3) "Nonfunctional airbag" means a replacement airbag that meets any of the following criteria:

(A) The airbag was previously deployed or damaged;

(B) The airbag has an electric fault that is detected by the vehicle's airbag diagnostic systems when the installation procedure is completed and the vehicle is returned to the customer who requested the work to be performed or when ownership is intended to be transferred;

(C) The airbag includes a part or object, including a supplemental restraint system component, that is installed in a motor vehicle to mislead the owner or operator of the motor vehicle into believing that a functional airbag has been installed; or

(D) The airbag is subject to the prohibitions of 49 U.S.C. § 30120(j); and

(4) "Supplemental restraint system" ("SRS"):

(A) Means a passive inflatable motor vehicle occupant crash protection system designed for use in conjunction with active restraint systems, as defined in 49 CFR 571.208; and

(B) Includes one (1) or more airbags and all components required to ensure that an airbag works as designed by the vehicle manufacturer, including both of the following:

(i) The airbag operates in the event of a crash; and

(ii) The airbag is designed in accordance with federal motor vehicle safety standards of the specific make, model, and year of the motor vehicle in which it is or will be installed.

(b) A person shall not knowingly manufacture, import, install, reinstall, distribute, sell, or offer for sale any device intended to replace a supplemental restraint system component in any motor vehicle if the device is a counterfeit supplemental restraint system component, nonfunctional airbag, or device that does not meet federal motor vehicle safety standards as provided in 49 CFR 571.208.

(c) A person shall not knowingly sell, install, or reinstall in a vehicle, any device that causes the vehicle's diagnostic systems to fail to warn when the vehicle is equipped with a counterfeit supplemental restraint system component or nonfunctional airbag, or when no airbag is installed.

(d) A violation of this section is a Class A misdemeanor.

SECTION 2. This act shall take effect July 1, 2018, the public welfare requiring it.
