The message shall explain the budget in both fiscal terms and in terms of work programs. It shall outline the proposed financial policies of the city for the ensuing fiscal year, describe the important features of the budget, indicate any major changes from the current year in financial policies, expenditures, and revenues together with the reasons for such changes, summarize the city's debt position and include such other materials as deemed desirable.

Section 4. Required content and organization of budget. The budget shall provide a complete financial plan of all city funds and activities for the ensuing fiscal year

and, except as required by law or this Charter, shall be in such form as deemed desirable by the Board of Aldermen.

Section 5. Amendments to budget, when budget must be adopted, and effect of adoption. The Board of Mayor and Aldermen shall adopt the budget by ordinance. The Board of Mayor and Aldermen may amend the budget by ordinance, but no amendment shall decrease expenditures required by law for debt service. The budget shall be adopted for the ensuing fiscal year before the end of the current fiscal year. Adoption of the budget shall constitute appropriations of the amounts specified therein as expenditures from the funds indicated. The Board of Mayor and Aldermen shall also adopt an ordinance establishing a property tax levy.

Section 6. Supplemental appropriations. If during the fiscal year, the Head of the Department of Finance certifies that there are revenues in excess of those estimated in the budget available for appropriation, the Board of Mayor and Aldermen, by ordinance, may make supplemental appropriations for the year up to the amount of such excess.

Section 7. Deficits. If at any time during the fiscal year it appears probable to the Head of the Department of Finance that the revenues available will be insufficient to meet the amount appropriated, he shall report to the Board of Mayor and Aldermen without delay, indicating the estimated amount of the deficit, any remedial action taken by him and his recommendations as to any other steps to be taken. The Board of Mayor and Aldermen shall then take such further action as it deems necessary to prevent or minimize any deficit and for that purpose it may, by resolution, reduce appropriations.

Section 8. Transfer of unencumbered appropriations. At any time during the fiscal year, the Board of Mayor and Aldermen may transfer part or all of any unencumbered appropriation balance among programs within a department, office or agency and the Board of Mayor and Aldermen may, by resolution, transfer part or all of any unencumbered appropriation balance from one department, office, or agency to another.

Section 9. Lapsing of appropriations. Every appropriation shall lapse at the end of the fiscal year to the extent that it has not been expended or encumbered.

Section 10. Incurrence and discharge of obligations. No payment shall be made or obligation incurred against any appropriation unless the Head of the Department of Finance or an officer designated by him first certifies that an appropriation has been made for that purpose and that there is unexpended and unencumbered in the appropriation for that purpose an amount sufficient to meet the obligation or to make the expenditure. However, except where prohibited by law, nothing herein shall be construed to prevent the making or authorizing of payments or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year.

Section 11. Accounting records and audits. There shall be installed and maintained adequate accounting records in accordance with generally accepted principles of municipal accounting. The same account titles shall be used throughout the accounting records, the budget and financial statements. Constant and comprehensive budgetary control shall be maintained. An audit of the financial affairs of the city shall be required by action of the Board of Mayor and Aldermen and same be made after the end of each fiscal year by a public accountant skilled in such work. Any taxpayer may file a bill in chancery court to compel the Board of Mayor and Aldermen to have the audit made if such accountant has not been employed within one (1) month after the end of the fiscal year.

ARTICLE X

Section 1. Assessment and levy. All property within the city not exempt by general law shall be assessed for taxation upon the same principles established in regard to state and county taxation.

Section 2. Due and delinquent dates; penalties and interest. Property taxes shall be payable on and after October 1 in the year for which assessed and shall

become delinquent on March 1 following. Unless otherwise provided by ordinance, an interest and penalty of one and one-half percent (1.5%) per month of the amount of the delinquent taxes shall also be added on the first day of March, in which the taxes become delinquent, and one and one-half percent (1.5%) shall be added on the first day of each month thereafter.

Section 3. Collection of delinquent taxes. The Board of Mayor and Aldermen may provide by ordinance for the collection of delinquent real property taxes by the Finance Director/Recorder as provided by general law, or by the City Attorney acting in accordance with general laws providing for the collection of delinquent city or county taxes. If not otherwise collected, the City Attorney, or other attorney designated by the Board of Mayor and Aldermen, shall file suit for collection of all delinquent taxes not later than eighteen (18) months following the date of delinquency.

Section 4. County may collect taxes. The city may contract with the county for the collection of city taxes in accordance with general law.

Section 5. Hotel tax. (1) As used in this section unless the context otherwise requires:

(a) "Consideration" means the consideration charged, whether or not received, for the occupancy in a hotel valued in money whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits, property and services of any kind or nature without any deduction therefrom whatsoever. Nothing in this definition shall be construed to imply that consideration is charged when the space provided to the person is complimentary from the operator and no consideration is charged to or received from any person;

(b) "Hotel" means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist camp, tourist court, tourist cabin, motel or any place in which rooms,

lodgings or accommodations are furnished to transients for a consideration;

(c) "Occupancy" means the use or possession, or the right to the use or possession, of any room, lodgings or accommodations in any hotel;

(d) "Operator" means the person operating the hotel whether as owner, lessee or otherwise;

(e) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, receiver, trustee, syndicate, or any other group or combination acting as a unit; and

(f) "Transient" means any person who exercises occupancy or is entitled to occupancy for any room, lodgings or accommodations in a hotel for a period of less than ninety (90) continuous days.

(2) The Board of Mayor and Aldermen is authorized to levy a privilege tax upon the privilege of occupancy in any hotel of each transient in accordance with Tennessee Code Annotated, title 67, chapter 4, part 14, and in an amount not to exceed six percent (6%) of the consideration charged by the operator. Such tax is a privilege tax upon the transient occupying such room and is to be collected as provided by this Act.

(3) Such tax shall be added by every operator to each invoice prepared by the operator for the occupancy of the operator's hotel and to be given directly or transmitted to the transient, and shall be collected by such operator from the transient and remitted to the city. When a person has maintained occupancy for ninety (90) continuous days, he shall receive from the operator a refund or credit for the tax previously collected from or charged to him, and the operator shall receive credit for the amount of such tax if previously paid or reported to the city.

(4) The tax hereby levied shall be remitted by all operators who lease, rent or charge for any rooms within the city to the Finance Director/Recorder or

such other officer as may by ordinance of the legislative body be charged with the duty of collection thereof, such tax to be remitted to such officer not later than the twentieth day of each month for the preceding month. The operator is hereby required to collect the tax from the transient at the time of the presentation of the invoice for such occupancy whether prior to occupancy or after occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the city entitled to the proceeds of the tax shall be that of the operator.

(5) The Finance Director/Recorder or other person authorized by this Act shall be responsible for the collection of the tax. A monthly tax return shall be filed under oath with the Finance Director/Recorder by the operator with the number of copies thereof as the Finance Director/Recorder may reasonably require for the collection of the tax. The report of the operator shall include such facts and information as may be deemed reasonable for the verification of the tax due. The form of the report shall be developed by the Finance Director/Recorder and approved by the legislative body prior to its use. The Finance Director/Recorder shall audit each operator in the city at least once per year and shall report on the audits made on a quarterly basis to the legislative body. The legislative body is hereby authorized to adopt resolutions to provide reasonable rules and regulations for the implementation of the provisions of this Act.

(6) No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, if added, any part will be refunded.

(7) Taxes collected by an operator which are not remitted to the Finance Director/Recorder on or before the due dates shall be deemed delinquent. An operator shall be liable for interest on the delinquent taxes from the due date at the rate of twelve percent (12%) per annum and for a penalty of one percent (1%) for each month or fraction thereof that the taxes are delinquent. The

interest and penalty shall become a part of the tax required to be remitted herein. Each time an operator willfully refuses to collect or remit the tax, and each time a transient willfully refuses to pay the tax imposed is hereby declared to be a violation of this section, and each violation shall be punishable by a fine not to exceed fifty dollars (\$50.00).

Each time an operator knowingly refuses to collect or remit the tax, and each time a transient knowingly refuses to pay the tax imposed is hereby declared to be a fifty dollar (\$50.00) fine, and each occurrence shall constitute a separate violation. As used in this paragraph, "each occurrence" means each day.

Nothing in this section shall be construed to prevent the Finance Director/Recorder or other authorized collector of the tax from pursuing any civil remedy available to the collector by law, including issuing distress warrants and the seizure of assets, to collect any taxes due or delinquent under this section.

(8) It shall be the duty of every operator liable for the collection and payment to the city of any tax imposed by this Act to keep and preserve for a period of three (3) years all records as may be necessary to determine the amount of tax the operator may have been liable for collecting or paying the city. The Finance Director/Recorder shall have the right to inspect the records at all reasonable times.

(9) The Finance Director/Recorder, in administering and enforcing the provisions of this Act, shall also have the power and duty to collect taxes as provided in Tennessee Code Annotated, title 67, chapter 4, part 14, or as otherwise provided by law for the county clerks.

Upon any claim of illegal assessment and collection, the taxpayer shall have the remedy provided in Tennessee Code Annotated, title 67, it being the intent of this act that the provisions of law which apply to the recovery of illegally assessed and collected state taxes shall also apply to the tax levied under the authority of this Act. The Finance Director/Recorder shall also possess those

powers and duties as provided in Tennessee Code Annotated, Section 67-1-707 for county clerks with respect to the adjustment and settlement with taxpayers all taxes collected by the Finance Director/Record, in error, under authority of this Act, and to direct the refunding of taxes paid. Notice of any tax paid under protest shall be given to the Finance Director/Recorder and the ordinance authorizing the levy of the tax shall designate an officer against whom suit may be brought for recovery.

(10) The Finance Director/Recorder is hereby charged with the duty of collecting the tax herein authorized and shall place the proceeds of a tax in a fund as the legislative body may specify by ordinance.
