## A BILL

To establish the National Full Employment Trust Fund to create employment opportunities for the unemployed.

1        *Be it enacted by the Senate and House of Representa-*  
2        *tives of the United States of America in Congress assembled,*

3        **SECTION 1. SHORT TITLE.**

4        This Act shall be cited as the “Humphrey-Hawkins  
5        Full Employment and Training Act”.

6        **SEC. 2. FINDINGS AND PURPOSE.**

7        (a) FINDINGS.—The Congress finds the following:

8                (1) The Full Employment and Balanced  
9        Growth Act of 1978 established an interim 5-year

1 target of 3 percent unemployment for individuals 20  
2 years of age and older, and 4 percent for individuals  
3 age 16 and over within 5 years, with full employ-  
4 ment to be achieved “as soon as practicable” there-  
5 after.

6 (2) The Federal Government has previously es-  
7 tablished full employment as a national goal in na-  
8 tional legislation, including the Employment Act of  
9 1946 and the Full Employment and Balanced  
10 Growth Act of 1978.

11 (3) Pursuant to these Acts, the Congress de-  
12 clared it is the continuing policy and responsibility  
13 of the Federal Government to use all practicable  
14 means to create and maintain conditions which pro-  
15 mote useful employment opportunities for all who  
16 seek them, including the self-employed. Pursuant to  
17 these Acts, the Congress declared and established as  
18 a national goal the fulfillment of the right to full op-  
19 portunities for useful paid employment at fair rates  
20 of compensation of all individuals able, willing, and  
21 seeking to work.

22 (4) The Nation has suffered substantial unem-  
23 ployment and underemployment, and idleness of pro-  
24 ductive resources over prolonged periods of time, im-

1       posing numerous economic and social costs on the  
2       Nation.

3               (5) The Nation has been deprived of the full  
4       supply of goods and services, the full utilization of  
5       labor and capital resources, and the related increases  
6       in economic well-being that would occur under condi-  
7       tions of genuine full employment.

8               (6) The current output of goods and services is  
9       insufficient to meet pressing national priorities for  
10      infrastructure, transportation, energy, education,  
11      health care, child and elder care, and many other  
12      necessary public and human services.

13              (7) Unemployment and underemployment ex-  
14      pose many workers and families to significant, so-  
15      cial, psychological and physiological costs, including  
16      disruption of family life, the loss of individual dig-  
17      nity and self-respect, and the aggravation of physical  
18      and psychological illnesses.

19              (8) Persisting unemployment and underemploy-  
20      ment have devastating financial consequences, re-  
21      sulting in the loss of income and spending power for  
22      families, and interfering with their ability to save  
23      and accumulate assets for a secure family life and  
24      retirement. High levels of unemployment and inad-  
25      equate consumer demand also contribute to poor

1 conditions for retail businesses, manufacturers and  
2 many other firms to grow and prosper. In the real  
3 estate sector, the Congress finds that continuing  
4 high levels of unemployment contribute to fore-  
5 closures, evictions, and commercial vacancies, under-  
6 mining the quality of neighborhood and community  
7 life, and hampering prospects for economic recovery  
8 and national prosperity.

9 (9) The historic promise of this earlier legisla-  
10 tion has not been fully realized, and we re-declare  
11 and reaffirm our support for achieving a national  
12 goal of jobs for all at living wages.

13 (10) The United States has a duty under Arti-  
14 cles 55 and 56 of the United Nations Charter to  
15 promote “full employment” and the “universal re-  
16 spect for, and observance of, human rights and fun-  
17 damental freedoms for all without distinction as to  
18 race, sex, language, or religion”. The human rights  
19 the United States has a duty to promote pursuant  
20 to this obligation are set forth in the Universal Dec-  
21 laration of Human Rights. Article 23 of the Uni-  
22 versal Declaration states that “Everyone has the  
23 right to work” and to “just and favorable remunera-  
24 tion” that insures for his or her family “an existence

1       worthy of human dignity, and supplemented, if nec-  
2       essary, by other means of social protection”.

3               (11) The Congress has a strong interest in  
4       seeking the progressive reduction and elimination of  
5       job disparities among groups of workers who experi-  
6       ence chronically higher rates of unemployment and  
7       underemployment.

8               (12) Even at the top of the business cycle, when  
9       national unemployment rates drop to the 4 percent  
10      to 5 percent range, job vacancy surveys show that  
11      the economy does not provide enough jobs to employ  
12      everyone who wants to work. Reliance on direct job  
13      creation to close the economy’s job gap is especially  
14      important at such times, because it provides a  
15      means of creating additional jobs without adding  
16      significantly to inflationary pressures, a very dif-  
17      ficult goal to achieve at the top of the business cycle  
18      via macroeconomic policy interventions.

19              (13) The Congress intends to maximize the cre-  
20      ation of private, public and nonprofit sector jobs  
21      through improved use of general economic and struc-  
22      tural policies, including measures to encourage pri-  
23      vate sector investment and capital formation; an in-  
24      creased public investment in research and develop-  
25      ment, infrastructure, energy, education, public serv-

1       ices and the environment, and other essential goods  
2       and services.

3       (b) PURPOSE.—It is the purpose of the Humphrey  
4 Hawkins 21st Century Full Employment and Training  
5 Act to expedite progress to fulfill the right to useful work  
6 at living wages for all persons seeking employment, as  
7 promptly as possible and at the earliest practicable date  
8 by establishing a Full Employment Trust Fund to fund  
9 and operate a national program of public service employ-  
10 ment and to provide additional labor market opportunities  
11 to complement those offered by the existing private, pub-  
12 lic, and nonprofit sectors.

17 **SEC. 4. ESTABLISHMENT OF FULL EMPLOYMENT NATIONAL**  
18 **TRUST FUND.**

19          (a) IN GENERAL.—The Secretary shall establish a

21          ferred to as the “Trust Fund”) for the purposes of—

10          Revenue Code of 1986, as added by section 8.

11          (c) LOANS FROM THE FEDERAL RESERVE SYS-  
12          TEM.—

13           (1) IN GENERAL.—If the amount available in  
14           the Trust Fund for allocation under section 5 is in-  
15           sufficient to prevent the national unemployment rate  
16           from rising more than one full percentage during a  
17           fiscal year in which the national unemployment rate  
18           is increasing, the Board of Governors of the Federal  
19           Reserve System shall lend such additional amounts  
20           to the Trust Fund as are necessary to allow the Sec-  
21           retary of Labor to make such additional allocations

23           tional unemployment rate to its allowable 1 percent  
24           range of upward variation.

1           (2) REPAYMENT.—Amounts lent to the Trust  
2 Fund by the Board of Governors of the Federal Re-

8 were made to the Trust Fund and ending 45 days  
9 following such date.

10          (d) SEPARATE TRUST FUND ACCOUNTS.—The Trust  
11 Fund shall consist of 2 separate accounts as follows:

14 section (b) and shall be for the Employment Oppor-  
15 tunity Grants established in section 5.

16           (2) The other account shall consist of 33 per-  
17 cent of the funds made available for deposit under  
18 subsection (b) and shall be available to the Secretary  
19 to fund programs under the Workforce Investment  
20 Act of 1998 (29 U.S.C. 2801 et seq.).

21          (e) WEB SITE.—The Secretary shall establish an  
22 Internet Web site to serve as an information clearinghouse

24 the Trust Fund.

2 mulgate regulations to encourage entities that receive

5 the account described in subsection (c)(2) to, whenever

21          their full economic potential.

14 and

15 (6) ensure that not less than 35 percent of indi-

21           (such as a reduction in hours, wages, or  
22           employee benefits) of an existing employee  
23           of the employer; or

24           (II) such individual will perform the

4 displaced (as such term is described in  
5 subclause (I)); and

8 tion the employee had immediately  
9 prior to being laid off or partially dis-  
10 placed.

11 (ii) For the purposes of this paragraph, a posi-  
12 tion shall be considered to have been eliminated by

19 isting employee (as of the date of such hiring) of an  
20 employer receiving funds under this Act.

21 (B) A community-based organization receiving  
22 funds under this Act may not use such funds to pro-

1 such services or functions are provided by the orga-  
2 nization.

3 (4) An individual hired to fill a job funded  
4 under this Act shall register with and be certified by  
5 the appropriate State employment service as eligible  
6 for such employment and shall satisfy at least one

8 vidual is so hired:

9 (A) The individual is receiving unemploy-  
10 ment insurance benefits.

12 ber of a targeted group as defined by section

21 days prior to the date the individual is so hired.

22 (D) The individual has been employed  
23 part-time while seeking full-time employment  
24 with the assistance of the State employment

1 service for not less than 13 weeks prior to the  
2 date the individual is so hired.

3 (5) An individual employed in a job funded  
4 under this Act shall—

5 (A) notwithstanding the individual's em-  
6 ployment in a job funded under this Act, be  
7 registered with the appropriate State employ-  
8 ment service as available for and seeking work;

9 (B) respond appropriately, as a person  
10 available for and seeking employment, to refer-  
11 rals by the State employment service concerning  
12 available jobs;

13 (C) apply for suitable jobs for which the  
14 individual has been referred by the State em-  
15 ployment service; and
