

118TH CONGRESS
1ST SESSION

H. R. 1078

To reauthorize and improve a grant program to assist institutions of higher education in establishing, maintaining, improving, and operating Student Veteran Centers.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 17, 2023

Ms. LOIS FRANKEL of Florida (for herself, Mr. WALTZ, and Mr. BILIRAKIS) introduced the following bill; which was referred to the Committee on Education and the Workforce

A BILL

To reauthorize and improve a grant program to assist institutions of higher education in establishing, maintaining, improving, and operating Student Veteran Centers.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Veteran Education
5 Empowerment Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) More than 1,000,000 veterans attend insti-
9 tutions of higher education each year.

1 (2) Veterans face unique challenges in
2 transitioning from the battlefield to the classroom
3 and eventually to the workforce, including: age dif-
4 ferences, family obligations, significant time away
5 from academic life, and service-related disabilities.

6 (3) The National Education Association found
7 that student veterans can feel lonely and vulnerable
8 on campus and that “connecting student veterans
9 can effectively ease this isolation” by bringing to-
10 gether new student veterans with those who have al-
11 ready successfully navigated the first few semesters
12 of college.

13 (4) According to Mission United—a United
14 Way program that helps veterans re-acclimate to ci-
15 vilian life—it is often “essential” for student vet-
16 erans to be mentored by “another veteran who un-
17 derstands their mindset and experience”.

18 (5) Student Veteran Centers are recognized as
19 an institutional best practice by Student Veterans of
20 America.

21 (6) The American Council on Education, which
22 represents more than 1,700 institutions of higher
23 education across the United States, has called hav-
24 ing a dedicated space for veterans on campus “a
25 promising way for colleges and universities to better

1 serve veterans on campus” and a “critical” compo-
2 nent of many colleges’ efforts to serve their student
3 veterans.

4 (7) The Department of Education included as
5 one of its 8 Keys to Veterans’ Success that colleges
6 and universities should “coordinate and centralize
7 campus efforts for all veterans, together with the
8 creation of a designated space for them”.

9 (8) Budget constraints often make it difficult or
10 impossible for institutions of higher education to
11 dedicate space to veteran offices, lounges, or student
12 centers.

13 (9) The 110th Congress authorized the funding
14 of Student Veteran Centers through the Centers of
15 Excellence for Veteran Student Success under part
16 T of title VIII of the Higher Education Act of 1965
17 (20 U.S.C. 1161t). Congress also chose to appro-
18 priate funding for this program in subsequent years,
19 most recently for fiscal year 2023 under the Consoli-
20 dated Appropriations Act, 2023 (Public Law 117–
21 328).

22 (10) According to the Department of Edu-
23 cation, federally funded Student Veteran Centers
24 and staff have generated improved recruitment, re-
25 tention, and graduation rates, have helped student

1 veterans feel better connected across campus, and
2 have directly contributed to the successful academic
3 outcomes of student veterans.

4 **SEC. 3. GRANT PROGRAM TO ESTABLISH, MAINTAIN, AND**
5 **IMPROVE STUDENT VETERAN CENTERS.**

6 Part T of title VIII of the Higher Education Act of
7 1965 (20 U.S.C. 1161t) is amended to read as follows:

8 **“PART T—GRANTS FOR STUDENT VETERAN**
