IN THE HOUSE OF REPRESENTATIVES

APRIL 26, 2013

Mr. PETERS of Michigan (for himself, Mr. STIVERS, Mr. CONYERS, Ms. CHU, Mr. ELLISON, Mr. GRIJALVA, Mr. HASTINGS of Florida, Mr. HONDA, Mr. HUIZENGA of Michigan, Mr. JOHNSON of Georgia, Mr. LEVIN, Mr. MCGOVERN, Mr. MORAN, Mr. POLIS, and Mr. SCHIFF) introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To reform and modernize domestic refugee resettlement programs, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Domestic Refugee Re-
5 settlement Reform and Modernization Act of 2013”.

6 **SEC. 2. FINDINGS.**

7 The Congress makes the following findings:

1 (1) The United States has enhanced and accel-
2 erated its efforts to resettle Iraqi refugees since
3 2007.

4 (2) Resettlement in the United States remains
5 an important option for refugees around the world
6 that lack any other durable solution.

7 (3) Many of these refugees are victims of tor-
8 ture and persecution, or were forced to flee because
9 of support they gave to American military, Govern-
10 ment, or media operations.

11 (4) Refugees are often a product of human
12 rights atrocities and war, making them likely to have
13 suffered traumatic events which require the United
14 States to offer them protection and meet their needs
15 once they arrive here.

16 (5) In fiscal year year 2012, a total of 58,238
17 refugees were resettled in the United States, includ-
18 ing 12,163 from Iraq.

19 (6) Upon arrival in the United States, there is
20 authorized up to 36 months of cash and medical as-
21 sistance available to refugees, as well as access to so-
22 cial services, such as job placement, from the Office
23 of Refugee Resettlement, but in practice refugees re-
24 ceive only 8 months of cash and medical assistance.

1 (7) When given adequate support through the
2 resettlement system, refugees can successfully be-
3 come self-sufficient and contribute positively to their
4 communities.

5 (8) Additional resources and better data could
6 strengthen refugee services and better respond to
7 the need of highly vulnerable refugees.

8 (9) ORR funding formulas are retroactive in
9 nature, using refugee admission data from up to 3
10 prior years, so that large increases in refugee admis-
11 sions are not adequately reflected in the amount of
12 resources provided by ORR.

13 (10) The United States resettlement policy as-
14 sumes refugees will be able to quickly become self-
15 sufficient, while specifically offering resettlement to
16 individuals who have specific vulnerabilities that in-
17 hibit their ability to achieve self-sufficiency and inte-
18 grate into society.

19 (11) Some refugees will have mental health dif-
20 ficulties associated with trauma or torture and this
21 is one of the significant barriers to self-sufficiency
22 and integration into a community when it is not ad-
23 dressed with adequate and appropriate services.

24 (12) Secondary migration is not properly
25 tracked, and resources are not available for States

1 and agencies experiencing high levels of secondary
2 migration.

3 (13) Refugee services are provided by national
4 resettlement agencies, community based organiza-
5 tions, charities, and nonprofits and coordinated lo-
6 cally by State refugee programs, and all the organi-
7 zations should be supported in their mission to pro-
8 vide refugee services.

9 **SEC. 3. EFFECTIVE DATE.**

10 This Act shall take effect on the date that is 90 days
11 after the date of enactment of this Act.
