6 native technology or practice. Such regulations shall
7 require independent third-party certification, pursu-
8 ant to paragraph (5), of blowout preventers, well de-
9 sign, and cementing programs and procedures prior
10 to the commencement of drilling operations. Such
11 regulations shall also require recertification by an

13 graph (5), of a blowout preventer upon any material
14 modification to the blowout preventer or well design
15 and of a well design upon any material modification

5 between the drilling rig and the blowout pre-
6 venter are destroyed or inoperable.

7 “(C) Regular testing of the emergency
8 backup control systems, including testing dur-
9 ing deployment of the blowout preventer.

10 “(D) As appropriate, remotely operated ve-
11 hicle intervention capabilities for secondary con-
12 trol of all subsea blowout preventer functions,
13 including adequate hydraulic capacity to acti-
14 vate blind shear rams, casing shear rams, and

22 least two independent, tested mechanical bar-
23 riers, in addition to a cement barrier, across
24 each flow path between hydrocarbon bearing
25 formations and the blowout preventer.

1 “(B) That wells shall be designed so that
2 a failure of one barrier does not significantly in-
3 crease the likelihood of another barrier’s failure.

4 “(C) That the casing design is appropriate
5 for the purpose for which it is intended under
6 reasonably expected wellbore conditions.

7 “(D) The installation and verification with
8 a pressure test of a lockdown device at the time
9 the casing is installed in the wellhead.

19 ment to prevent any unintended flow of hydro-
20 carbons between any hydrocarbon-bearing for-
21 mation zone and the wellhead.

22 “(D) Cement bond logs for all cementing
23 jobs intended to provide a barrier to hydro-
24 carbon flow.

1 “(E) Cement bond logs or such other in-
2 tegrity tests as the Secretary may prescribe for
3 cement jobs other than those identified in sub-
4 paragraph (D).

5 “(5) INDEPENDENT THIRD-PARTY CERTIFI-
6 CATION.—The Secretary shall issue regulations that
7 establish appropriate standards for the approval of
8 independent third-party certifiers capable of exer-
9 cising certification functions for blowout preventers,
10 well design, and cementing. For any certification re-
11 quired for regulations related to blowout preventers,
12 well design, or cementing, the operator shall use a
13 qualified independent third-party certifier chosen by
14 the Secretary. The costs of any certification shall be
15 borne by the operator. The regulations issued under
16 this subsection shall require the following:

17 “(A) Prior to the commencement of drill-
18 ing through a blowout preventer at any covered
19 well, the operator shall obtain a written and
20 signed certification from an independent third
21 party approved and assigned by the appropriate
22 Federal official pursuant to subsection (a) that
23 the third party—

24 “(i) conducted or oversaw a detailed
25 physical inspection, design review, system

1 integration test, and function and pressure
2 testing of the blowout preventer; and

3 “(ii) in the third-party certifier’s best
4 professional judgment, determined that—

5 “(I) the blowout preventer is de-
6 signed for the specific drilling condi-
7 tions, equipment, and location where
8 it will be installed and for the specific
9 well design;

10 “(II) the blowout preventer and
11 all of its components and control sys-
12 tems will operate effectively and as
13 designed when installed;

14 “(III) each blind shear ram or
15 casing shear ram will function effec-
16 tively under likely emergency sce-

10 **OF COLLECTION OF FEDERAL OIL, CONDEN-**
11 **SATE, AND NATURAL GAS ROYALTIES.**

12 The Secretary of the Interior shall seek to enter into
13 an arrangement with the National Academy of Engineer-
14 ing under which the Academy, by not later than six
15 months after the date of the enactment of this Act, shall
16 study and report to the Secretary regarding whether the
17 accuracy of collection of royalties on production of oil, con-
18 densate, and natural gas under leases of Federal lands (in-
19 cluding submerged and deep water lands) and Indian
20 lands would be improved by any of the following:

21 (1) Requiring the installation of digital meters,
22 calibrated at least monthly to an absolute zero value,
23 for all lands from which natural gas (including con-
24 densate) is produced under such leases.

25 (2) Requiring that—

1 (A) the size of every orifice plate on each
2 natural gas well operated under such leases be
3 inspected at least quarterly by the Secretary;
4 and

5 (B) chipped orifice plates and wrong-sized
6 orifice plates be replaced immediately after
7 those inspections and reported to the Secretary
8 for retroactive volume measurement corrections
9 and royalty payments with interest of 8 percent
10 compounded monthly.

11 (3) Requiring that any plug valves that are in
12 natural gas gathering lines be removed and replaced
13 with ball valves.

14 (4) Requiring that—

15 (A) all meter runs should be opened for in-
16 spection by the Secretary and the producer at
17 all times; and

18 (B) any welding or closing of the meter
19 runs leading to the orifice plates should be pro-
20 hibited unless authorized by the Secretary.

21 (5) Requiring the installation of straightening
22 vanes approximately 10 feet before natural gas en-
23 ters each orifice meter, including each master meter
24 and each sales meter.

1 (6) Requiring that all master meters be in-
2 spected and the results of such inspections be made
3 available to the Secretary and the producers imme-
4 diately.

5 (7) Requiring that—

6 (A) all sampling of natural gas for heating
7 content analysis be performed monthly up-
8 stream of each natural gas meter, including up-
9 stream of each master meter;

10 (B) records of such sampling and heating
11 content analysis be maintained by the pur-
12 chaser and made available to the Secretary and
13 to the producer monthly;

14 (C) probes for such upstream sampling be
15 installed upstream within three feet of each
16 natural gas meter;

17 (D) any oil and natural gas lease for which
18 heat content analysis is falsified shall be subject
19 to cancellation;

20 (E) natural gas sampling probes be lo-
21 cated—

22 (i) upstream of the natural gas meter
23 at all times;

24 (ii) within a few feet of the natural
25 gas meter; and

1 (iii) after the natural gas goes
2 through a Welker or Y-Z vanishing cham-
3 ber; and

4 (F) temperature probes and testing probes
5 be located between the natural gas sampling
6 probe and the orifice of the natural gas meter.

7 (8) Prohibiting the dilution of natural gas with
8 inert nitrogen or inert carbon dioxide gas for royalty
9 determination, sale, or resale at any point.

10 (9) Requiring that both the measurement of the
11 volume of natural gas and the heating content anal-
12 yses be reported only on the basis of 14.73 PSI and
13 60 degrees Fahrenheit, regardless of the elevation
14 above sea level of such volume measurement and
15 heating content analysis, for both purchases and
16 sales of natural gas.

17 (10) Prohibiting the construction of bypass
18 pipes that go around the natural gas meter, and im-
19 posing criminal penalties for any such construction
20 or subsequent removal including, but not limited to,
21 automatic cancellation of the lease.

22 (11) Requiring that all natural gas sold to con-
23 sumers have a minimum BTU content of 960 at an
24 atmospheric pressure of 14.73 PSI and be at a tem-

1 perature of 60 degrees Fahrenheit, as required by
2 the State of Wyoming Public Utilities Commission.

3 (12) Requiring that all natural gas sold in the
4 USA will be on a MMBTU basis with the BTU con-
5 tent adjusted for elevation above sea level in higher
6 altitudes. Thus all natural gas meters must correct
7 for BTU content in higher elevations (altitudes).

8 (13) Issuance by the Secretary of rules for the
9 measurement at the wellhead of the standard volume
10 of natural gas produced, based on independent in-
11 dustry standards such as those suggested by the
12 American Society of Testing Materials (ASTM).

13 (14) Requiring use of the fundamental orifice
14 meter mass flow equation, as revised in 1990, for
15 calculating the standard volume of natural gas pro-
16 duced.

17 (15) Requiring the use of F_{pv} in standard vol-
18 ume measurement computations as described in the
19 1992 American Gas Association Report No. 8 enti-
20 tled Compressibility Factor of Natural Gas and
21 Other Related Hydrocarbon Gases.

22 (16) Requiring that gathering lines must be

16 This title may be cited as the “Offshore Oil and Gas
17 Worker Whistleblower Protection Act of 2011”.

18 **SEC. 1002. WHISTLEBLOWER PROTECTIONS; EMPLOYEE**
19 **PROTECTION FROM OTHER RETALIATION.**

20 (a) PROHIBITION AGAINST RETALIATION.—

21 (1) IN GENERAL.—No employer may discharge
22 or otherwise discriminate against a covered employee
23 because the covered employee, whether at the cov-
24 ered employee’s initiative or in the ordinary course
25 of the covered employee’s duties—

1 (A) provided, caused to be provided, or is
2 about to provide or cause to be provided to the
3 employer or to a Federal or State government
4 official, information relating to any violation of,
5 or any act or omission the covered employee
6 reasonably believes to be a violation of, any pro-
7 vision of the Outer Continental Shelf Lands Act
8 (43 U.S.C. 1301 et seq.), or any order, rule,
9 regulation, standard, or prohibition under that
10 Act, or exercised any rights provided to employ-
11 ees under that Act;

12 (B) testified or is about to testify in a pro-
13 ceeding concerning such violation;

14 (C) assisted or participated or is about to
15 assist or participate in such a proceeding;

16 (D) testified or is about to testify before
17 Congress on any matter covered by such Act;

18 (E) objected to, or refused to participate in
19 any activity, policy, practice, or assigned task

21 to be in violation of any provision of such Act,
22 or any order, rule, regulation, standard, or ban
23 under such Act;

24 (F) reported to the employer or a State or
25 Federal government official any of the following

1 related to the employer's activities described in
2 section 1003(1): an illness, injury, unsafe condi-
3 tion, or information regarding the adequacy of
4 any oil spill response plan required by law; or
5 (G) refused to perform the covered employ-
6 ee's duties, or exercised stop work authority, re-
7 lated to the employer's activities described in
8 section 1003(1) if the covered employee had a
9 good faith belief that performing such duties
10 could result in injury to or impairment of the
11 health of the covered employee or other employ-
12 ees, or cause an oil spill to the environment.

13 (2) GOOD FAITH BELIEF.—For purposes of
14 paragraph (1)(E), the circumstances causing the
15 covered employee's good faith belief that performing
16 such duties would pose a health and safety hazard
17 shall be of such a nature that a reasonable person
18 under circumstances confronting the covered em-
19 ployee would conclude there is such a hazard.

20 (b) PROCESS.—

21 (1) IN GENERAL.—A covered employee who be-
22 lieves that he or she has been discharged or other-
23 wise discriminated against (hereafter referred to as
24 the "complainant") by any employer in violation of
25 subsection (a)(1) may, not later than 180 days after

1 the date on which such alleged violation occurs or
2 the date on which the covered employee knows or
3 should reasonably have known that such alleged vio-
4 lation occurred, file (or have any person file on his
5 or her behalf) a complaint with the Secretary of
6 Labor (referred to in this section as the “Sec-
7 retary”) alleging such discharge or discrimination
8 and identifying employer or employers responsible
9 for such act. Upon receipt of such a complaint, the
10 Secretary shall notify, in writing, the employer or
11 employers named in the complaint of the filing of
12 the complaint, of the allegations contained in the
13 complaint, of the substance of evidence supporting
14 the complaint, and of the opportunities that will be
15 afforded to such person under paragraph (2).

16 (2) INVESTIGATION.—

17 (A) IN GENERAL.—Not later than 90 days
18 after the date of receipt of a complaint filed
19 under paragraph (1) the Secretary shall initiate
20 an investigation and determine whether there is
21 reasonable cause to believe that the complaint
22 has merit and notify, in writing, the complain-
23 ant and the employer or employers alleged to
24 have committed a violation of subsection (a)(1)
25 of the Secretary’s findings. The Secretary shall,

1 during such investigation afford the complain-
2 ant and the employer or employers named in
3 the complaint an opportunity to submit to the
4 Secretary a written response to the complaint
5 and an opportunity to meet with a representa-
6 tive of the Secretary to present statements from
7 witnesses. The complainant shall be provided
8 with an opportunity to review the information
9 and evidence provided by employer or employers
10 to the Secretary, and to review any response or
11 rebuttal by such the complaint, as part of such
12 investigation.

13 (B) REASONABLE CAUSE FOUND; PRELIMI-
14 NARY ORDER.—If the Secretary concludes that
15 there is reasonable cause to believe that a viola-
16 tion of subsection (a)(1) has occurred, the Sec-
17 retary shall accompany the Secretary’s findings
18 with a preliminary order providing the relief
19 prescribed by paragraph (3)(B). Not later than
20 30 days after the date of notification of find-
21 ings under this paragraph, the employer or em-
22 ployers alleged to have committed the violation
23 or the complainant may file objections to the
24 findings or preliminary order, or both, and re-
25 quest a hearing on the record before an admin-

1 administrative law judge of the Department of Labor.
2 The filing of such objections shall not operate
3 to stay any reinstatement remedy contained in
4 the preliminary order. Any such hearing shall
5 be conducted expeditiously. If a hearing is not
6 requested in such 30-day period, the prelimi-
7 nary order shall be deemed a final order that is
8 not subject to judicial review. The Secretary of
9 Labor is authorized to enforce preliminary rein-
10 statement orders in the United States district
11 court for the district in which the violation was
12 found to occur, or in the United States district
13 court for the District of Columbia.

14 (C) DISMISSAL OF COMPLAINT.—

15 (i) STANDARD FOR COMPLAINANT.—

16 The Secretary shall dismiss a complaint
17 filed under this subsection and shall not
18 conduct an investigation otherwise required
19 under subparagraph (A) unless the com-
20 plainant makes a prima facie showing that
21 any behavior described in subparagraphs
22 (A) through (G) of subsection (a)(1) was a
23 contributing factor in the adverse action
24 alleged in the complaint.

1 (ii) STANDARD FOR EMPLOYER.—Not-
2 withstanding a finding by the Secretary
3 that the complainant has made the show-
4 ing required under clause (i), no investiga-
5 tion otherwise required under subpara-
6 graph (A) shall be conducted if the em-
7 ployer demonstrates, by clear and con-
8 vincing evidence, that the employer would
9 have taken the same adverse action in the
10 absence of that behavior.

11 (iii) VIOLATION STANDARD.—The
12 Secretary may determine that a violation
13 of subsection (a)(1) has occurred only if
14 the complainant demonstrates that any be-
15 havior described in subparagraphs (A)
16 through (G) of such subsection was a con-
17 tributing factor in the adverse action al-
18 leged in the complaint.

19 (iv) RELIEF STANDARD.—Relief may
20 not be ordered under subparagraph (A) if
21 the employer demonstrates by clear and
22 convincing evidence that the employer
23 would have taken the same adverse action
24 in the absence of that behavior.

25 (3) ORDERS.—

1 (A) IN GENERAL.—Not later than 90 days
2 after the receipt of a request for a hearing
3 under subsection (b)(2)(B), the administrative
4 law judge shall issue findings of fact and order
5 the relief provided under this paragraph or
6 deny the complaint. At any time before issuance
7 of an order, a proceeding under this subsection
8 may be terminated on the basis of a settlement
9 agreement entered into by the Secretary, the
10 complainant, and the person alleged to have
11 committed the violation. Such a settlement may
12 not be agreed by such parties if it contains con-
13 ditions which conflict with rights protected
14 under this title, are contrary to public policy, or
15 include a restriction on a complainant's right to
16 future employment with employers other than
17 the specific employers named in the complaint.

18 (B) CONTENT OF ORDER.—If, in response
19 to a complaint filed under paragraph (1), the
20 administrative law judge determines that a vio-
21 lation of subsection (a)(1) has occurred, the ad-
22 ministrative law judge shall order the employer
23 or employers who committed such violation—

24 (i) to take affirmative action to abate
25 the violation;

1 (ii) to reinstate the complainant to his
2 or her former position together with com-
3 pensation (including back pay and prejudg-
4 ment interest) and restore the terms, con-
5 ditions, and privileges associated with his
6 or her employment; and

7 (iii) to provide compensatory and con-
8 sequential damages, and, as appropriate,
9 exemplary damages to the complainant.

10 (C) ATTORNEY FEES.—If such an order is
11 issued under this paragraph, the Secretary, at
12 the request of the complainant, shall assess
13 against the employer or employers a sum equal
14 to the aggregate amount of all costs and ex-
15 penses (including attorneys' and expert witness
16 fees) reasonably incurred by the complainant
17 for, or in connection with, the bringing of the
18 complaint upon which the order was issued at
19 the conclusion of any stage of the proceeding.

20 (D) BAD FAITH CLAIM.—If the Secretary
21 finds that a complaint under paragraph (1) is
22 frivolous or has been brought in bad faith, the
23 Secretary may award to the prevailing employer
24 reasonable attorneys' fees, not exceeding
25 \$1,000, to be paid by the complainant.

1 (E) ADMINISTRATIVE APPEAL.—Not later
2 than 30 days after the receipt of findings of
3 fact or an order under subparagraph (B), the
4 employer or employers alleged to have com-
5 mitted the violation or the complainant may
6 file, with objections, an administrative appeal
7 with the Secretary, who may designate such ap-
8 peal to a review board. In reviewing a decision
9 and order of the administrative law judge, the
10 Secretary shall affirm the decision and order if
11 it is determined that the factual findings set
12 forth therein are supported by substantial evi-
13 dence and the decision and order are made in
14 accordance with applicable law. The Secretary
15 shall issue a final decision and order affirming,
16 or reversing, in whole or in part, the decision
17 under review within 90 days after receipt of the
18 administrative appeal under this subparagraph.
19 If it is determined that a violation of subsection
20 (a)(1) has occurred, the Secretary shall order
21 relief provided under subparagraphs (B) and
22 (C). Such decision shall constitute a final agen-
23 cy action with respect to the matter appealed.
24 (4) ACTION IN COURT.—

1 (A) IN GENERAL.—If the Secretary has
2 not issued a final decision within 330 days after
3 the filing of the complaint, the complainant
4 may bring an action at law or equity for de
5 novo review in the appropriate district court of
6 the United States, which action shall, at the re-
7 quest of either party to such action, be tried by
8 the court with a jury. The proceedings shall be
9 governed by the same legal burdens of proof
10 specified in paragraph (2)(C).

11 (B) RELIEF.—The court may award all
12 appropriate relief including injunctive relief,
13 compensatory and consequential damages, in-
14 cluding—

15 (i) reinstatement with the same se-
16 niority status that the covered employee
17 would have had, but for the discharge or
18 discrimination;

19 (ii) the amount of back pay sufficient
20 to make the covered employee whole, with
21 prejudgment interest;

22 (iii) exemplary damages, as appro-
23 priate; and

24 (iv) litigation costs, including reason-
25 able attorney fees and expert witness fees.

1 (5) REVIEW.—

2 (A) IN GENERAL.—Any person aggrieved
3 by a final order issued under paragraph (3) or
4 a judgment or order under paragraph (4) may
5 obtain review of the order in the appropriate
6 United States Court of Appeals. The petition
7 for review must be filed not later than 60 days
8 after the date of the issuance of the final order
9 of the Secretary. Review shall be in accordance
10 with chapter 7 of title 5, United States Code.
11 The commencement of proceedings under this
12 subparagraph shall not, unless ordered by the
13 court, operate as a stay of the order.

14 (B) NO OTHER JUDICIAL REVIEW.—An
15 order of the Secretary with respect to which re-
16 view could have been obtained under subpara-
17 graph (A) shall not be subject to judicial review
18 in any other proceeding.

19 (6) FAILURE TO COMPLY WITH ORDER.—When-
20 ever any employer has failed to comply with an order
21 issued under paragraph (3), the Secretary may ob-
22 tain in a civil action in the United States district
23 court for the district in which the violation was
24 found to occur, or in the United States district court
25 for the District of Columbia, all appropriate relief

1 including, but not limited to, injunctive relief and
2 compensatory damages.

3 (7) CIVIL ACTION TO REQUIRE COMPLIANCE.—

4 (A) IN GENERAL.—Whenever an employer
5 has failed to comply with an order issued under
6 paragraph (3), the complainant on whose behalf
7 the order was issued may obtain in a civil ac-
8 tion in an appropriate United States district
9 court against the employer to whom the order
10 was issued, all appropriate relief.

11 (B) AWARD.—The court, in issuing any
12 final order under this paragraph, may award
13 costs of litigation (including reasonable attor-
14 neys' and expert witness fees) to any party
15 whenever the court determines such award is
16 appropriate.

17 (c) CONSTRUCTION.—

18 (1) EFFECT ON OTHER LAWS.—Nothing in this
19 section preempts or diminishes any other safeguards
20 against discrimination, demotion, discharge, suspen-
21 sion, threats, harassment, reprimand, retaliation, or
22 any other manner of discrimination provided by Fed-
23 eral or State law.

24 (2) RIGHTS OF EMPLOYEES.—Nothing in this
25 section shall be construed to diminish the rights,

1 privileges, or remedies of any employee under any
2 Federal or State law or under any collective bar-
3 gaining agreement. The rights and remedies in this
4 section may not be waived by any agreement, policy,
5 form, or condition of employment.

6 (d) ENFORCEMENT OF NONDISCRETIONARY DU-
7 TIES.—Any nondiscretionary duty imposed by this section
8 shall be enforceable in a mandamus proceeding brought
9 under section 1361 of title 28, United States Code.

10 (e) POSTING OF NOTICE AND TRAINING.—All em-
11 ployers shall post a notice which has been approved as to
12 form and content by the Secretary of Labor in a con-
13 spicuous location in the place of employment where cov-
14 ered employees frequent which explains employee rights
15 and remedies under this section. Each employer shall pro-
16 vide training to covered employees of their rights under
17 this section within 30 days of employment, and at not less
18 than once every 12 months thereafter, and provide covered
19 employees with a card which contains a toll free telephone
20 number at the Department of Labor which covered em-
21 ployees can call to get information or file a complaint
22 under this section.

23 (f) DESIGNATION BY THE SECRETARY.—The Sec-
24 retary of Labor shall, within 30 days of the date of enact-
