

111TH CONGRESS
1ST SESSION

H. R. 2134

AN ACT

To establish the Western Hemisphere Drug Policy
Commission.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Western Hemisphere
3 Drug Policy Commission Act of 2009”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) According to the Substance Abuse and Men-
7 tal Health Services Administration’s (SAMHSA)
8 National Survey on Drug Use and Health, in 2008
9 in the United States, there were an estimated
10 25,768,000 users of marijuana, 5,255,000 users of
11 cocaine, 850,000 users of methamphetamine, and
12 453,000 users of heroin.

13 (2) Nearly 100 percent of the United States co-
14 caine supply originates in the Andean countries of
15 Bolivia, Colombia, and Peru and over 90 percent of
16 the United States heroin supply originates in Colom-
17 bia and Mexico.

18 (3) In those countries, the cultivation, produc-
19 tion and trafficking of cocaine and heroin generate
20 violence, instability and corruption.

21 (4) In the transit countries of Central America,
22 Mexico, Venezuela, Ecuador, Haiti, and other Carib-
23 bean countries, drug trafficking is central to the
24 growing strength of organized criminals to threaten
25 local and national law enforcement, political institu-

1 tions, citizen security, rule of law, and United States
2 security and interests.

3 (5) Drug-related violence is on the rise in Mex-
4 ico and along the United States-Mexico border.
5 5,661 people died in Mexico in 2008 alone as a re-
6 sult of drug-related violence. This is more than dou-
7 ble the 2007 total of 2,773.

8 (6) According to the Department of State’s
9 June 2009 Trafficking in Persons report, organized
10 criminal networks in Mexico also “traffic Mexican
11 women and girls into the United States for commer-
12 cial sexual exploitation”.

13 (7) Extremist groups and their supporters in
14 the Western Hemisphere, including the Revolu-
15 tionary Armed Forces of Colombia (FARC) and
16 Hezbollah, often use drug trafficking to finance ter-
17 rorist activities.

18 (8) From 1980–2008, United States counter-
19 narcotics assistance from the State and Defense De-
20 partments to Latin America and the Caribbean to-
21 taled about \$11,300,000,000.
