111TH CONGRESS 1ST SESSION

H. R. 261

To provide that no Federal funds may be used by the Secretary of Homeland Security to approve a site security plan for a chemical facility, unless the facility meets or exceeds security standards and requirements to protect the facility against acts of terrorism established for such a facility by the State or local government for the area where the facility is located, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

January 7, 2009

Ms. Jackson-Lee of Texas (for herself and Mr. Thompson of Mississippi) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Homeland Security, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To provide that no Federal funds may be used by the Secretary of Homeland Security to approve a site security plan for a chemical facility, unless the facility meets or exceeds security standards and requirements to protect the facility against acts of terrorism established for such a facility by the State or local government for the area where the facility is located, and for other purposes.
