

113TH CONGRESS
2D SESSION

H. R. 4524

To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

IN THE HOUSE OF REPRESENTATIVES

APRIL 30, 2014

Ms. TITUS (for herself and Mr. MORAN) introduced the following bill; which was referred to the Committee on Agriculture

A BILL

To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Animal Emergency
5 Planning Act of 2014”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

8 (1) Hurricanes Katrina and Sandy, as well as
9 other recent natural and man-made disasters, have

1 highlighted the need for planning to minimize the
2 impact of disasters.

3 (2) Lack of preparedness in times of disaster
4 can have especially devastating effects on animals
5 and the people who risk their lives to protect them.

6 (3) Local first-responders, non-governmental
7 agencies, and private individuals most often shoulder
8 the cost and responsibility of animals affected by
9 disasters.

10 (4) It is reasonable to ask those who use ani-
11 mals commercially to demonstrate a level of readi-
12 ness to protect the animals under their care.

13 **SEC. 3. REQUIREMENT THAT COVERED ENTITIES DEVELOP**
14 **AND IMPLEMENT EMERGENCY CONTINGENCY**
15 **PLANS.**

16 (a) IN GENERAL.—The Animal Welfare Act (7
17 U.S.C. 2131 et seq.) is amended by adding at the end
18 the following:

23 research facility.

24 “(b) CONTINGENCY PLAN.—Each covered person
25 shall develop, document, and follow a contingency plan to

1 provide for the humane handling, treatment, transpor-
2 tation, housing, and care of its animals in the event of
3 an emergency or disaster. Such a contingency plan shall—

4 “(1) identify situations that the covered person
5 might experience, including natural disasters and
6 emergencies such as electrical outages, faulty HVAC
7 systems, fires, mechanical breakdowns, and animal
8 escapes, that would trigger the need for the meas-
9 ures identified in the contingency plan to be put into
10 action;

11 “(2) outline specific tasks to be carried out in
12 response to the identified emergencies or disasters,
13 including detailed animal evacuation or shelter-in-
14 place instructions and provisions for providing
15 backup sources of food and water as well as sanita-
16 tion, ventilation, bedding, and veterinary care;

17 “(3) establish a chain of command and identify
18 the individuals responsible for fulfilling the tasks de-
19 scribed in paragraph (2); and

20 “(4) address how response and recovery will be
21 handled in terms of materials, resources, and train-
22 ing needed.

23 “(c) ANNUAL REVIEW.—Each covered person shall—

1 “(1) review its contingency plan on at least an
2 annual basis to ensure that it adequately addresses
3 the criteria described in subsection (b); and

4 “(2) maintain documentation of the annual re-
5 views and any amendments or changes made to its
6 contingency plan since the previous year’s review.

7 “(d) TRAINING.—Each covered person shall—

8 “(1) train its personnel in their roles and re-
9 sponsibilities as outlined in the contingency plan;

10 “(2) communicate any changes in the contin-

14 participation in and successful completion of the
15 training required by this subsection.

16 “(e) AVAILABILITY OF DOCUMENTATION.—

17 “(1) IN GENERAL.—Each covered person shall
18 submit its contingency plan, as well as any docu-
19 mentation described in subsections (c)(2) and (d)(3),
20 to the Secretary annually.

21 “(2) WHILE TRAVELING.—A covered person en-
22 gaged in travel must carry a copy of its contingency
23 plan with it at all times and make it available for
24 inspection by the Secretary while in travel status.”.

25 (b) REGULATIONS.—

1 (1) Not later than 30 days after the date of en-
2 actment of this Act, the Secretary of Agriculture of
3 the United States shall promulgate such regulations
4 as the Secretary determines to be necessary to carry
5 out section 30 of the Animal Welfare Act, as added
6 by subsection (a) of this Act.

7 (2) The regulations described in paragraph (1)
8 shall be made without regard to the rulemaking pro-
9 cedures under section 553 of title 5, United States
10 Code.

11 (c) NO PREEMPTION.—Nothing in this Act or the
12 amendments made by this Act preempts any law (includ-
13 ing a regulation) of a State, or a political subdivision of
14 a State, containing requirements that provide equivalent
15 or greater protection for animals than the requirements
16 of this Act or the amendments made by this Act.

17 (d) EFFECTIVE DATE.—The amendments made by
18 subsection (a) shall apply to covered persons (as defined
19 in such subsection) beginning on the date that is 30 days
20 after the date of enactment of this Act.
