

111TH CONGRESS
2^D SESSION

H. R. 5160

AN ACT

To extend the Caribbean Basin Economic Recovery Act, to provide customs support services to Haiti, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Haiti Economic Lift
3 Program Act of 2010”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) On January 12, 2010, Haiti was hit by a
7 7.0 magnitude earthquake, the worst earthquake to
8 affect Haiti in recorded history. Aftershocks from
9 the earthquake, measuring up to 6.0 on the Richter
10 scale, continued for days afterwards.

11 (2) The earthquake has devastated Haiti’s in-
12 frastructure, including homes, offices, factories,
13 roads, ports, communications, and other facilities.
14 The loss of life attributable to the earthquake was
15 massive.

16 (3) Even before the earthquake, Haiti was the
17 poorest country in the Western Hemisphere, ranking
18 149 out of 182 countries according to the United
19 Nation’s Human Development Index.

20 (4) In recent years, however, the Government
21 and people of Haiti had taken important steps for-
22 ward to promote economic growth and development,
23 including making strides towards establishing a com-
24 petitive apparel sector.

25 (5) United States trade preference programs,
26 including the Caribbean Basin Economic Recovery

1 Act (as amended by the United States-Caribbean
2 Basin Trade Partnership Act, the Haitian Hemi-
3 spheric Opportunity through Partnership Encour-
4 agement Act of 2006, and the Haitian Hemispheric
5 Opportunity through Partnership Encouragement
6 Act of 2008), which extend duty-free tariff treat-
7 ment to certain apparel produced in Haiti, have
8 made an important contribution to Haiti's economic
9 development efforts.

10 (6) However, the Haitian apparel sector has
11 been hard hit by the January 12, 2010, earthquake.
12 A number of apparel factories based in and around
13 Port-au-Prince have been heavily damaged, including
14 the collapse of one major apparel factory that had
15 employed nearly 4,000 workers.

16 (7) The Port-au-Prince seaport that had served
17 the apparel trade has been badly damaged. And ex-
18 tensive damage to roads has made it difficult to
19 transport apparel to the Dominican Republic for
20 shipment from ports in that country.

21 (8) According to estimates by the Department
22 of Commerce, imports of apparel articles from Haiti
23 to the United States in 2010 have decreased by 43
24 percent as compared to the same period in 2009.

1 (9) The earthquake has increased significantly
2 the costs and uncertainty of doing business in Haiti.
3 A strong and unequivocal commitment from the
4 United States is needed to help Haiti offset these
5 costs and preserve the gains made under United
6 States trade preference programs, and to encourage
7 buyers and investors to stand with Haiti through
8 this crisis.

9 **SEC. 3. EXTENSION OF CARIBBEAN BASIN ECONOMIC RE-**
10 **COVERY ACT.**

11 The Caribbean Basin Economic Recovery Act (19
12 U.S.C. 2701 et seq.) is amended—
