

118TH CONGRESS
1ST SESSION

H. R. 5964

To reduce methane emissions from flaring and venting natural gas during oil and natural gas production activities, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 17, 2023

Mr. CURTIS introduced the following bill

OCTOBER 25, 2023

Referred to the Committee on Energy and Commerce, and in addition to the Committee on Science, Space, and Technology, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To reduce methane emissions from flaring and venting natural gas during oil and natural gas production activities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Methane Emissions
5 Reduction Act”.

1 **SEC. 2. METHANE EMISSIONS.**

2 (a) IN GENERAL.—The Secretary of Energy shall
3 carry out a comprehensive program to reduce methane
4 emissions from flaring and venting natural gas during oil
5 and natural gas production activities, recognizing that
6 States are the primary regulators of oil and natural gas
7 production activities and emissions on State and private
8 lands, including by—

9 (1) providing technical assistance to State and
10 public utility commissioners and officials, represent-
11 atives from the energy industry, and other stake-
12 holders from State, local, and Tribal organizations;

13 (2) accelerating the development and applica-
14 tion of technologies and practices to reduce flaring
15 and venting of natural gas;

16 (3) maintaining a database that summarizes
17 the relevant flaring and venting regulations in each
18 of the oil and gas producing States; and

19 (4) informing the States and other stakeholders
20 of potential options available to economically capture
21 and utilize natural gas.

22 (b) REPORT.—Not later than 270 days after the date
23 of enactment of this Act, the Secretary of Energy shall
24 submit to the Committee on Energy and Commerce of the
25 House of Representatives a report describing—

1 (1) Federal, State, and local policies and regu-
2 lations relating to natural gas flaring and venting;

3 (2) initiatives to accelerate technology solutions
4 to reduce natural gas flaring and venting;

5 (3) barriers to the development and commercial
6 application of technologies to capture natural gas
7 that would otherwise be flared or vented; and

8 (4) recommendations to reduce barriers de-
9 scribed in paragraph (3).

10 (c) TECHNICAL CONFERENCE.—In preparing the re-
11 port under subsection (b), the Secretary of Energy shall
12 solicit input from States and local governments and rep-
13 resentatives of the energy industry, including by convening
14 a technical conference and providing an opportunity for
15 submission of written comments on a draft report.
