2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “21st Century Entre-  
5 preneurship Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1           (1) entrepreneurship creates new jobs, grows  
2           the economy, increases productivity, and signifi-  
3           cantly improves the quality of life of the people of  
4           the United States;

5           (2) entrepreneurship rates in the United States  
6           have been unstable over the last several decades;

7           (3) children from disadvantaged communities  
8           are less likely to become entrepreneurs and inven-  
9           tors, hampering economic growth and harming com-  
10          munities most in need;

11          (4) studies show that children with mentors in  
12          entrepreneurship and inventorship are more likely to  
13          pursue these fields in adulthood; and

14          (5) in order to promote growth in disadvan-  
15          tagged communities, increase entrepreneurship rates,  
16          and improve the economy, volunteer mentors with  
17          the SCORE program should be encouraged to en-  
18          gage with children in community learning centers.
