6 2018”.

7 **SEC. 2. DEFINITIONS.**

8 In this Act:

1           (1) CERTIFICATION.—The term “certification”  
2 means a voluntary program under which—

3           (A) a private organization (in the case of  
4 private certification) or the government of a  
5 State (in the case of government certification)  
6 authorizes an individual who meets certain per-  
7 sonal qualifications to use “certified” as a des-  
8 ignated title with respect to the performance of  
9 a lawful occupation; and

10          (B) a noncertified individual may perform  
11 the lawful occupation for compensation but may  
12 not use the title “certified”.

13          (2) MEMBER, OFFICER, EMPLOYEE, OR  
14 AGENT.—The term “member, officer, employee, or  
15 agent”, with respect to an occupational licensing  
16 board, means an individual appointed by, to, or em-  
17 ployed by the occupational licensing board.

18          (3) OCCUPATIONAL LICENSE.—The term “occu-  
19 pational license” means a nontransferable authoriza-  
20 tion under law for an individual to perform a lawful  
21 occupation for compensation based on meeting per-  
22 sonal qualifications established by the State govern-  
23 ment.

1           (4) OCCUPATIONAL LICENSING BOARD.—The  
2 term “occupational licensing board” or “board”  
3 means an entity established under State law—

4           (A) the express purpose of which is to reg-  
5 ulate the personal qualifications required to en-  
6 gage in or practice a particular lawful occupa-  
7 tion; and

8           (B) that has authority conferred by State  
9 law to interpret or enforce the occupational reg-  
10 ulations of the State.

11           (5) OCCUPATIONAL REGULATION.—The term  
12 “occupational regulation”—

13           (A) means a statute, rule, regulation, prac-  
14 tice, policy, or law that sets educational, exam-  
15 ination, training and/or experience requirements  
16 to authorize an individual to work in a lawful  
17 occupation;

18           (B) includes any statute, rule, regulation,  
19 practice, policy, or law requiring certification or  
20 an occupational license; and

21           (C) does not include a business license, fa-  
22 cility license, building permit, or zoning and  
23 land use regulation except to the extent that  
24 such a requirement or restriction substantially

1           burdens an individual’s ability to work in a law-  
2           ful occupation.

3           (6) WIDELY REGULATED OCCUPATION.—The  
4           term “widely regulated occupation” means an occu-  
5           pation in which forty (40) or more States require an  
6           occupational license to engage in such occupation.

7           (7) STATE.—The term “State” means each of  
8           the several States, the District of Columbia, and any  
9           territory or possession of the United States.

10 **SEC. 3. PRIVATE ANTITRUST DAMAGES.**

12           ages, may be recovered under section 4, 4A or 4C of the  
13           Clayton Act (15 U.S.C. 15, 15a, or 15c) by any person,  
14           except for any State, instrumentality of a State, or em-  
15           ployee of a State or instrumentality of a State acting in  
16           his or her official capacity, from an occupational licensing  
17           board, or any member, officer, employee, or agent of a

2 ical standards in the performance of regulated  
3 lawful occupations; and

4 (C) has found that—

5 (i) the public needs, and can be rea-  
6 sonably expected to benefit from, occupa-

2 pational licensing board; and

3 (B) has required public representation on  
4 the occupational licensing board; and

5 (4) the State or the occupational licensing

7 person aggrieved by an action of the occupational li-  
8 censing board has the right to—

23 judicator, including judicial review.

24 (b) APPLICABILITY.—This section shall not apply to  
25 any case commenced before the date of enactment of this

1 Act, unless it would be inequitable not to apply this section  
2 to a pending action.

3 (c) **RULE OF CONSTRUCTION.**—Nothing in this Act  
4 shall be construed to modify or impair the applicability  
5 or availability of—

6 (1) relief pursuant to section 4A or 4C of the

22 **SEC. 4. STATE LICENSING STUDIES TO BE CONDUCTED.**

23 Not later than 120 days after the date of enactment  
24 of this Act, the Comptroller General of the United States  
25 shall submit to Congress a report on—

1           (1) how States can best address occupational li-  
2           censing reform, particularly for those occupations  
3           that are not directly related to protecting the health,  
4           safety, or welfare of the public, including rec-  
5           ommendations on how States can weigh the costs  
6           and benefits of occupational licensing against those  
7           of less restrictive alternatives, such as certification  
8           and other approaches;

9           (2) how States can conduct comprehensive cost-  
10          benefit assessments of occupational regulations and  
11          occupational licensing boards through sunrise re-  
12          views and periodic sunset reviews;

13          (3) how States can implement policies to sup-

16          censing portability programs for veterans and mili-  
17          tary service members and spouses; and

18          (4) how occupational licensing requirements af-  
19          fect low-income workers, the unemployed, immi-

21          with criminal records.

22 **SEC. 5. RULE OF CONSTRUCTION.**

23          Except as provided in section 3, nothing in this Act
