

118TH CONGRESS
2D SESSION

H. R. 7635

To amend title III of the Social Security Act to ensure the accessibility of drugs furnished under the 340B drug discount program.

IN THE HOUSE OF REPRESENTATIVES

MARCH 12, 2024

Ms. MATSUI introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend title III of the Social Security Act to ensure the accessibility of drugs furnished under the 340B drug discount program.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as “The 340B Pharmaceutical
5 Access To Invest in Essential, Needed Treatments & Sup-
6 port Act of 2024” or “The 340B PATIENTS Act of
7 2024”.

8 **SEC. 2. FINDINGS AND PURPOSES.**

9 (a) FINDINGS.—Congress finds the following:

1 (1) Section 340B of the Public Health Service
2 Act (42 U.S.C. 256b) enables covered entities to
3 stretch scarce resources as far as possible, reaching
4 more patients and providing more comprehensive
5 services than without such program;

6 (2) Section 340B requires drug manufacturers
7 to offer discounted prices on covered outpatient
8 drugs to covered entities participating in the pro-
9 gram, as a condition of participating in the Medicaid
10 or Medicare Part B programs, and drug manufac-
11 turers must offer 340B pricing to covered entities
12 and sell 340B and deliver 340B drugs to covered en-
13 tities when requested irrespective of the manner or
14 location through which a 340B drug is dispensed.

15 (3) Savings from section 340B enables hos-
16 pitals, clinics, and health centers' to provide com-
17 prehensive services to the communities they serve,
18 and covered entities are in the best position to as-
19 sess the use of their savings for community needs.

20 (4) Since the early years of the 340B program,
21 covered entities have contracted with pharmacies to
22 dispense covered outpatient drugs purchased by a
23 covered entity at 340B pricing to patients of the
24 covered entity, consistent with how Congress in-
25 tended for covered entities to use the program.

1 (5) Covered entities use savings generated
2 through 340B contract pharmacy relationships to
3 stretch scarce resources and support patient care,
4 consistent with the purpose of the program.

5 (6) Section 340B requires drug manufacturers
6 to offer 340B pricing for drugs purchased by covered
7 entities regardless of the manner or location in
8 which a drug is dispensed, including drugs dispensed
9 through contract pharmacies.

10 (7) Section 340B does not allow drug manufac-
11 turers to place conditions on the ability of a covered
12 entity to purchase or use a covered outpatient drug
13 at 340B pricing regardless of the manner or location
14 in which a drug is dispensed, including by restricting
15 a covered entity's ability to dispense 340B drugs to
16 patients through a contractual relationship with a
17 contracted pharmacy or refusing to ship covered out-
18 patient drugs to a pharmacy or location identified by
19 a covered entity.

20 (8) Section 340B's inflationary penalty provi-
21 sions, which have saved \$7 billion in Medicare Part
22 D spending between 2013 and 2017, have a proven
23 record of reducing drug price increases, and use of
24 340B in contract pharmacies contributes to these
25 savings.

1 (9) Specialty drugs, which are often used to
2 treat chronic, serious, or life-threatening conditions
3 such as cancer, rheumatoid arthritis, growth hor-
4 mone deficiency, and multiple sclerosis, play a crit-
5 ical role in the care provided by covered entities.
6 These drugs often require specialized handling, are
7 not usually available to walk-in customers, and are
8 typically available only through specialty or mail
9 order pharmacies that are located hundreds of miles
10 from a covered entity. The use of contract pharmacy
11 arrangements under Section 340B are often the only
12 means by which covered entities can access these
13 vital drugs.

14 (b) PURPOSES.—The purposes of this Act are the fol-
15 lowing:

16 (1) To clarify that section 340B of the Public
17 Health Service Act (42 U.S.C. 256b) requires drug
18 manufacturers to offer 340B pricing for drugs pur-
19 chased by a covered entity regardless of the manner
20 or location in which the drug is dispensed, and sec-
21 tion 340B prohibits drug manufacturers from plac-
22 ing conditions on the ability of covered entities to
23 purchase and use 340B drugs, regardless of the
24 manner or location in which they are dispensed.

1 (2) To clarify that covered entities under sec-
2 tion 340B may contract with pharmacies to dispense
3 on a covered entity’s behalf drugs purchased by a
4 covered entity under section 340B to generate sav-
5 ings to assist covered entities to stretch resources to
6 provide care to more patients and provide more com-
7 prehensive services, and the requirements and prohi-
8 bitions that apply to manufacturers under section
9 340B apply in the case of a covered entity that
10 elects to contract with a pharmacy to dispense 340B
11 drugs.

12 **SEC. 3. ENSURING THE ACCESSIBILITY OF DRUGS FUR-**
13 **NISHED UNDER THE 340B DRUG DISCOUNT**
14 **PROGRAM.**

15 (a) IN GENERAL.—Section 340B(a) of the Public
16 Health Service Act (42 U.S.C. 256b(a)) is amended—

17 (1) in paragraph (1)—

18 (A) by striking “that the manufacturer
19 furnish” and inserting the following: “that—

20 “(A) the manufacturer furnish”;

21 (B) by striking “‘ceiling price’), and” and
22 inserting “‘ceiling price’);”;

23 (C) by striking “shall require that the
24 manufacturer offer” and inserting the following:

25 “(B) the manufacturer offer”; and

1 (D) by striking the period at the end and
2 inserting the following: “, regardless of the
3 manner or location in which the drug is dis-
4 pensed; and

5 “(C) the manufacturer not place conditions
6 on the ability of a covered entity to purchase
7 and use a covered outpatient drug at or below
8 the applicable ceiling price, regardless of the
9 manner or location in which the drug is dis-
10 pensed, including but not limited to placing lim-
11 its on the delivery of drugs, placing limits on
12 the mechanisms through which drugs may be
13 purchased, placing limits on where such drugs
14 may be delivered, administered, or dispensed,
15 requiring a covered entity’s assurance of com-
16 pliance with requirements under this section, or
17 requiring the submission of claims data or other
18 information, except that, notwithstanding this
19 subparagraph, the manufacturer may impose
20 such conditions after receiving advance approval
21 from the Secretary (or, with respect to condi-
22 tions specified by the Secretary, without such
23 advance approval) if such conditions would not
24 discourage covered entities from purchasing the
25 manufacturer’s drugs through the drug dis-

1 count program under this section or otherwise
2 undermine the objective of this section, either
3 by singling out covered entities from other cus-
4 tomers for such conditions or by imposing con-
5 ditions that disproportionately impact covered
6 entities.”; and

7 (2) by adding at the end the following new
8 paragraph:

9 “(11) CONTRACT PHARMACIES.—The require-
10 ments and prohibitions under subsection (a)(1) shall
11 apply, in the case of a covered entity that elects to
12 contract with one or more pharmacies to dispense
13 covered outpatient drugs purchased by a covered en-
14 tity at or below the applicable ceiling price described
15 in paragraph (1), to patients of the covered entity.”.

16 (b) MANUFACTURER COMPLIANCE.—Section
17 340B(d) of the Public Health Service Act (42 U.S.C.
18 256b) is amended—

19 (1) in paragraph (1)(B)(vi), by inserting “in
20 the case of an overcharge” after “penalties”;

21 (2) in paragraph (1)(B), by adding at the end
22 the following:

23 “(vii) The imposition of sanctions in
24 the form of civil monetary penalties in the
25 case of a violation of subsection (a)(1) or

1 subsection (a)(11), other than an over-
2 charge, which—

3 “(I) shall be assessed according
4 to standards established in regulations
5 to be promulgated by the Secretary
6 not later than 180 days after the date
7 of enactment;

8 “(II) shall apply to any manufac-
9 turer with an agreement under this
10 section that knowingly and inten-
11 tionally violates a requirement under
12 subsection (a)(1) or subsection
13 (a)(11), other than an overcharge;

14 “(III) shall not exceed
15 \$2,000,000 for each day of such viola-
16 tion;

17 “(IV) shall be determined by the
18 Secretary, taking into account factors
19 such as the nature and extent of the
20 violation and harm resulting from
21 such violation, including, where appli-
22 cable, the number of drugs affected
23 and the number of covered entities af-
24 fected; and

1 “(V) shall continue to be imposed
2 each day until such manufacturer is
3 no longer in violation of a requirement
4 under subsection (a)(1) or subsection
5 (a)(11), other than an overcharge.”;
6 and

7 (3) in paragraph (3), by adding at the end the
8 following:

9 “(D) Not later than 180 days after the
10 date of the enactment of this subparagraph, the
11 Secretary shall promulgate regulations to per-
12 mit covered entities to assert claims of viola-
13 tions of subsection (a)(1) and subsection
14 (a)(11) under the process promulgated under
15 subparagraph (A).”.
