10 may not—

11 (1) prescribe a new or an amended energy con-

15 position of such energy conservation standard is
16 technologically feasible and economically justified; or

17 (2) enforce an energy conservation standard
18 prescribed under such section for a covered product
19 that is a dishwasher if the Secretary of Energy de-

8 with the purchase, installation, maintenance, dis-
9 posal, and replacement of the covered product; or

10 (2) enforce an energy conservation standard

24 servation standard for a covered product that is a
25 dishwasher under such section if the Secretary of

2 tion of such energy conservation standard will not
3 result in significant conservation of energy; or

4 (2) enforce an energy conservation standard
5 prescribed under such section for a covered product
6 that is a dishwasher if the Secretary of Energy de-
7 termines that enforcement of or compliance with
8 such energy conservation standard will not result in
