6                 “(B) ELIGIBLE STUDENT.—The term ‘eli-  
7                 gible student’ means any student who, as a re-  
8                 sult of information submitted on the application  
9                 for Federal student financial aid, has been de-  
10                 termined by the Secretary (in consultation with  
11                 the heads of applicable Federal agencies) to be  
12                 potentially eligible for a benefit program.

13                 “(2) PROVISION OF INFORMATION.—For each  
14                 year for which an eligible student submits an appli-  
15                 cation for Federal student financial aid, the Sec-  
16                 retary shall send, in written and electronic form, to  
17                 the eligible student information regarding potential  
18                 eligibility for assistance under, and application proc-  
19                 ess for, benefit programs.

20                 “(3) INCLUSION.—The information provided  
21                 under paragraph (2) shall include a desription of  
22                 the appropriate State or Federal resources to which  
23                 to apply for each benefit program.”.

24                 (2) CONSULTATION.—The Secretary of Edu-  
25                 cation shall consult with the Secretary of Agri-

1 culture, the Secretary of Health and Human Serv-  
2 ices, the Secretary of Housing and Urban Develop-  
3 ment, the Secretary of the Treasury, and the head  
4 of any other applicable Federal or State agency, in  
5 designing the written and electronic communication  
6 regarding potential eligibility for assistance under,  
7 and application process for, the benefit programs (as  
8 defined in subsection (e)(1) of section 483 of the  
9 Higher Education Act of 1965 (20 U.S.C. 1090)).

10 (c) FURTHER INFORMATION ON FEDERALLY FUND-  
11 ED PROGRAMS TO SUPPORT BASIC NEEDS.—Section 483  
12 of the Higher Education Act of 1965 (20 U.S.C. 1090))  
13 is amended—

19 (C) by adding at the end the following:  
20 “(iii) an authorization under subpara-  
21 graph (D) and disclosing the information  
22 as described in clause (ii), the Secretary  
23 shall provide the applicant with notification  
24 of the appropriate Federal or State re-  
25 sources necessary to apply for Federal and

1                   State programs that support basic needs.”;

2                   and

3                   (2) in subsection (c)(3)—

4                   (A) by striking “may enter” and inserting  
5                   “shall enter”; and

6                   (B) by inserting “, and shall consult with  
7                   the heads of applicable Federal agencies in de-  
8                   signing the written and electronic communica-  
9                   tion regarding potential eligibility for assistance  
10                  under such programs” after “may be eligible”.

11                 (d) REPORT.—The Secretary of Education, in coordi-  
12                 nation with the Secretary of Agriculture, the Secretary of  
13                 Housing and Urban Development, the Secretary of Health  
14                 and Human Services, the Secretary of the Treasury, and  
15                 the head of any other applicable Federal or State agency,  
16                 shall prepare and submit to Congress a report that pre-  
17                 sents summary statistics on students who have applied for  
18                 Federal financial aid and who are enrolled at institutions  
19                 of higher education (as defined in section 102 of the High-  
20                 er Education Act of 1965 (20 U.S.C. 1002)) and are expe-  
21                 riencing student food insecurity and housing insecurity,  
22                 disaggregated by race and ethnicity, income quintile, sta-  
23                 tus as a first generation college student, Federal Pell

19               “(iii) at the designation of the Sec-  
20               retary, in the case of a State in which  
21               there is no community college operated or  
22               controlled by the State that meets a defini-  
23               tion under clause (i) or (ii), a college or  
24               similarly defined and structured academic  
25               entity—

1                         “(I) that was in existence on  
2                         July 1, 2023;

3                         “(II) within a public 4-year institu-  
4                         tion of higher education; and

5                         “(III) at which—

6                         “(aa) the highest degree  
7                         awarded is an associate degree;  
8                         or

9                         “(bb) an associate degree is  
10                         the most frequently awarded de-  
11                         gree.

12                         “(3) ELIGIBLE INSTITUTION.—The term ‘eli-  
13                         gible institution’ means an institution of higher edu-  
14                         cation (as defined in section 101 or 102(a)(1)(B)).

15                         “(b) PLANNING GRANTS.—

16                         “(1) IN GENERAL.—The Secretary shall award  
17                         planning grants, on a competitive basis, to eligible  
18                         institutions to enable the eligible institutions to con-  
19                         duct research and planning in accordance with para-  
20                         graph (2)—

21                         “(A) to reduce incidences of—

22                         “(i) student food insecurity;

23                         “(ii) student housing insecurity; and

24                         “(iii) students experiencing homeless-  
25                         ness; and

1               “(B) to meet other basic needs of students.

2               “(2) ACTIVITIES.—An eligible institution receiv-  
3               ing a grant under this subsection shall use grant  
4               funds to carry out the following activities:

5               “(A) Establish a basic needs steering com-  
6               mittee that will be—

7               “(i) responsible for developing and ap-  
8               proving the basic needs strategy described  
9               in subparagraph (C); and

10               “(ii) comprised of relevant campus  
11               stakeholders, such as—

12               “(I) students who have experi-  
13               enced challenges in meeting basic  
14               needs;

15               “(II) student government rep-  
16               resentatives;

17               “(III) staff of the eligible institu-  
18               tion representing the areas of student  
19               financial aid, housing, dining, student  
20               affairs, academic advising, equity sup-  
21               port services, accessibility services,  
22               campus security, legal services, and  
23               health and well-being services (includ-  
24               ing counseling or psychological serv-  
25               ices);

1                         “(IV) faculty;  
2                         “(V) relevant administrators, in-  
3                         cluding local human services adminis-  
4                         trators;  
5                         “(VI) community-based and  
6                         other nonprofit organizations; and  
7                         “(VII) representatives from local  
8                         governmental agencies.

9                         “(B) Conduct research regarding—  
10                         “(i) the level of unmet basic needs at  
11                         the eligible institution, disaggregated by  
12                         race and ethnicity, income quintile, status  
13                         as a first generation college student (as de-  
14                         fined in section 402A(h)), Federal Pell  
15                         Grant eligibility status, disability status,  
16                         status as a student parent, sex (including  
17                         sexual orientation and gender identity), or  
18                         other subgroup as determined by the eligi-  
19                         ble institution;  
20                         “(ii) the presence of institutional bar-  
21                         riers (such as award displacement) and  
22                         current institutional interventions to ad-  
23                         dress basic needs insecurity;  
24                         “(iii) the presence of administrative  
25                         barriers for students in applying, certifying

1                   eligibility, and renewing applications for  
2                   means-tested benefits, and interventions to  
3                   address such barriers;

4                   “(iv)(I) the resources and activities  
5                   available to address basic needs of stu-  
6                   dents, both on campus and off campus, as  
7                   of the date of the research; and

8                   “(II) the impact of such resources and  
9                   activities; and

10                  “(v) opportunities for coordination  
11                  and collaboration between the eligible insti-  
12                  tution and government or community-  
13                  based organizations, such as—

14                  “(I) the local office that admin-  
15                  isters benefits under the supplemental  
16                  nutrition assistance program estab-  
17                  lished under the Food and Nutrition  
18                  Act of 2008 (7 U.S.C. 2011 et seq.)  
19                  and carries out employment and train-  
20                  ing programs under that Act, or the  
21                  temporary assistance for needy fami-  
22                  lies program and subsidized programs  
23                  that meet the work requirements  
24                  under part A of title IV of the Social  
25                  Security Act (42 U.S.C. 601 et seq.);

1                         “(II) organizations that partici-  
2                         pate in the Federal work-study pro-  
3                         gram under part C of title IV; or

4                         “(III) low-income housing assist-  
5                         ance organizations, including such or-  
6                         ganizations assisting with tenant-  
7                         based assistance under section 8(o) of  
8                         the United States Housing Act of  
9                         1937 (42 U.S.C. 1437f(o)), and pub-  
10                         lic housing (as defined in section 3(b)  
11                         of that Act (42 U.S.C. 1437a(b))).

12                         “(C) Develop a basic needs strategy that  
13                         describes the means by which the eligible insti-  
14                         tution will—

15                         “(i) seek to address or meet the basic  
16                         needs of students through on-campus and  
17                         off-campus providers; and

18                         “(ii) incorporate the research con-  
19                         ducted under subparagraph (B), including  
20                         with respect to the subgroups identified  
21                         under clause (i) of that subparagraph, into  
22                         the basic needs strategy.

23                         “(D) Implement the strategy described in  
24                         subparagraph (C), including by—

1                     “(i) conducting outreach to encourage  
2                     students to participate in programs that  
3                     provide basic needs or reduce basic needs  
4                     insecurity;

5                     “(ii) educating students about Federal,  
6                     State, local, and Tribal assistance  
7                     programs, supporting student applications  
8                     for those programs, and providing case  
9                     management and training for students to  
10                    maximize the assistance that students and  
11                    their families receive to reduce basic needs  
12                    insecurity;

13                    “(iii) coordinating and collaborating  
14                    with Federal, State, local, and Tribal agen-  
15                    cies or community-based organizations;

16                    “(iv) hiring and training personnel to  
17                    build infrastructure and implement pro-  
18                    gramming to reduce basic needs insecurity  
19                    at the eligible institution; and

20                    “(v) carrying out other matters deter-  
21                    mined to be appropriate by the Secretary.

22                    “(3) GRANT AMOUNTS; DURATION.—

23                    “(A) AMOUNT.—The amount of a grant  
24                    under this subsection shall be not more than  
25                    \$75,000.

1                 “(B) DURATION.—A grant under this sub-  
2                 section shall be for a period of not more than  
3                 2 years.

4                 “(4) REPORT.—Not later than 60 days after  
5                 the end of the planning grant period under this sub-  
6                 section, each eligible institution that receives such a  
7                 grant shall submit to the Secretary a report that de-  
8                 scribes the outcomes of the planning grant, regard-  
9                 less of whether the eligible institution intends to  
10                 apply for an implementation grant.

11                 “(c) IMPLEMENTATION GRANTS.—

12                 “(1) AWARD.—

13                 “(A) IN GENERAL.—The Secretary shall  
14                 award implementation grants, on a competitive  
15                 basis, to eligible institutions to enable the eligi-  
16                 ble institutions to develop infrastructure to  
17                 meet the basic needs of students by—

18                 “(i) implementing—

19                         “(I) a basic needs strategy devel-  
20                         oped under subsection (b)(2)(C); or

21                         “(II) another existing basic needs  
22                         plan approved by the Secretary; and

23                 “(ii) carrying out the activities de-  
24                 scribed in paragraph (2).

1                 “(B) ONGOING EXTERNAL FUNDING.—To  
2                 be eligible to receive an implementation grant  
3                 under this paragraph, an eligible institution  
4                 shall identify, in the application for the grant,  
5                 an ongoing non-Federal funding mechanism to  
6                 support the activities carried out using grant  
7                 funds after the expiration of the grant period.

8                 “(2) ACTIVITIES.—An eligible institution receiv-  
9                 ing a grant under this subsection shall use the grant  
10                 funds to carry out at least 2 of the following activi-  
11                 ties:

12                 “(A) Providing to eligible students free or  
13                 subsidized food, secure sleeping arrangements,  
14                 temporary housing, priority access to existing  
15                 on-campus child care, and other basic needs.

16                 “(B) Conducting outreach to students to  
17                 reduce stigma associated with, and educate and  
18                 encourage students to participate in, programs  
19                 and services (including programs and services  
20                 provided through grant funding) to meet basic
