2^D SESSION

H. CON. RES. 27

CONCURRENT RESOLUTION

Whereas, on April 11, 2022, Vladimir Kara-Murza was unjustly detained by Russian authorities for spreading supposedly “false information” in a speech in March 2022 to the Arizona House of Representatives;

Whereas Mr. Kara-Murza in his March 15, 2022, speech presented a defiant condemnation of Vladimir Putin’s policies and leadership outlining his corruption and

malign intentions, and condemning the illegal war of aggression Putin has unleashed against Ukraine;

Whereas, prior to his arrest in April 2022, Mr. Kara-Murza was poisoned twice by agents of the Russian Government and the Russian Federation in 2015 and 2017 with a military-grade agent banned internationally, likely in retaliation for his defiant stance in support of rule of law and democracy in Russia;

Whereas, despite having survived two assassination attempts and the subsequent side effects of these poisonings, Mr. Kara-Murza regularly returned to Russia to advocate for democratic representation in Russia;

Whereas Mr. Kara-Murza has consistently advocated for democracy in Russia and insisted that democracy in Russia must be advanced by Russians for all those living in Russia;

Whereas, in August 2022, new charges were brought against Mr. Kara-Murza for “carrying out the activities” of an “undesirable foreign organization” and his arrest was extended for his work as a leading member of Russian civil society;

Whereas, in October 2022, Mr. Kara-Murza was further charged unjustly with “high treason” in part due to his public condemnations of the Kremlin’s military aggression on Ukraine and domestic repressions;

Whereas, in April 2023, Mr. Kara-Murza was unjustly sentenced to 25 years in prison;

Whereas the state of Mr. Kara-Murza’s health has deteriorated and in addition to losing over 45 pounds, he was diagnosed with polyneuropathy, a condition that under Russian law should have precluded him from detainment;

Whereas, as a result of his diagnosis, he has lost feeling in both his feet and has experienced symptoms similar to those he experienced following his 2015 poisoning due to peripheral nerve damage;

Whereas section 5599F of the James M. Inhofe National Defense Authorization Act for Fiscal Year 2023 (Public Law 117–263) condemned Mr. Kara-Murza’s unjust detention, expressed solidarity with Mr. Kara-Murza, his family, and all individuals imprisoned in Russia for their beliefs, and urged the United States and other ally governments to work to secure the release of Mr. Kara-Murza and other citizens of the Russian Federation imprisoned for opposition to Vladimir Putin’s regime and his illegal war in Ukraine;

Whereas, in April 2022, Vladimir Kara-Murza was presented the McCain Institute’s Courage and Leadership Award for his unwavering commitment to fundamental values and his acts of selfless courage which have inspired the world;

Whereas, in October 2022, Mr. Kara-Murza was awarded the Vaclav Havel Prize honoring outstanding civil society action in defense of human rights;

Whereas the late Senator John McCain said Mr. Kara-Murza “is a brave, outspoken, and relentless advocate for freedom and democracy in Russia” and introduced Mr. Kara-Murza as “a personal hero whose courage, selflessness, and idealism I find awe-inspiring”;

Whereas, in March 2023, the Department of the Treasury and the Department of State imposed Global Magnitsky and other targeted sanctions on six Russians involved in Mr. Kara-Murza’s ongoing arbitrary detention, recog-

nized his role as “a major advocate for the adoption of Magnitsky-style sanctions authorities by the United States, Canada, European Union, and United Kingdom to target human rights abusers and corrupt actors in Russia”, and called for his immediate release; and

Whereas Mr. Kara-Murza remains a political prisoner and a victim of Vladimir Putin’s authoritarian state: Now, therefore, be it
