RESOLUTION

Honoring the commitment and care of emergency medical services personnel.

Whereas emergency medical services personnel deliver care to patients in times of critical need;

Whereas emergency medical services personnel are essential to ensuring effective health care outcomes for patients;

Whereas emergency medical services teams give immediate treatment to trauma and other critically ill patients, stabilize them, and transport them to an appropriate level of care;

Whereas emergency medical technicians and paramedics work in ground and air ambulances, often traveling long distances to reach patients and to help them obtain needed care;

Whereas emergency medical services personnel cover territory in rural and underserved areas that otherwise might not have access to care;

Whereas emergency medical services personnel answer the call 24 hours a day, 7 days a week;

Whereas emergency medical services personnel and other first responders often place themselves in harm's way to protect and care for others in their time of need; and

Whereas the week of May 19 to 25, 2024, has been designated as Emergency Medical Services Week to recognize the contributions of the emergency medical services community: Now, therefore, be it
