Committee on Energy and Commerce

RESOLUTION

Supporting the goals and ideals of “World Alzheimer’s
Month”.

Whereas Alzheimer’s is a progressive neurological disease
that impairs an individual’s memory, cognitive abilities,
and behavior;

Whereas Alzheimer’s is the most common form of dementia;

Whereas approximately 35,600,000 individuals cope with de-
mentia worldwide, with more than 5,000,000 living with
Alzheimer’s in the United States;

Whereas neurological research continues to lead to advances
in the treatment and diagnosis of Alzheimer’s and other
forms of dementia; and

Whereas “World Alzheimer’s Month” is recognized in Sep-
tember and serves to increase awareness about the dis-
ease, its impact on the lives of those affected by it, and

the efforts of those seeking to cure Alzheimer's: Now,
therefore, be it
