5 (a) AUTHORIZATION FOR CONTINUED USE.—The

9 located on National Forest System land in the Frank

12 nance, and reconstruction of the facility if the Secretary  
13 determines that—

14 (1) the facility was in existence on the date on  
15 which the land upon which the facility is located was  
16 designated as part of the National Wilderness Pres-

1           (4) it is not practicable or feasible to relocate  
2 the facility to land outside of the wilderness and  
3 continue the beneficial use of water on the non-Fed-  
4 eral land recognized under State law.

5 (b) TERMS AND CONDITIONS.—

6           (1) REQUIRED TERMS AND CONDITIONS.—In a  
7 special use authorization issued under subsection  
8 (a), the Secretary shall—

9           (A) allow use of motorized equipment and  
10 mechanized transport for operation, mainte-  
11 nance, or reconstruction of a facility, if the Sec-

13           (i) the use is necessary to allow the  
14 facility to continue delivery of water to the  
15 non-Federal land for the beneficial uses  
16 recognized by the water right held under  
17 Idaho State law; and

18           (ii) the use of nonmotorized equip-

20 practicable or infeasible; and

21           (B) preclude use of the facility for the  
22 storage, diversion, or transport of water in ex-

4                   (A) require or allow modification or reloca-  
5                   tion of the facility in the wilderness, as the Sec-

7                   to wilderness values set forth in section 2 of the  
8                   Wilderness Act (16 U.S.C. 1131) if the bene-  
9                   ficial use of water on the non-Federal land is  
10                  not diminished; and

11                   (B) require that the owner provide a recip-  
12                   rocal right of access across the non-Federal  
13                   property, in which case, the owner shall receive  
14                   market value for any right-of-way or other in-  
15                   terest in real property conveyed to the United  
16                   States, and market value may be paid by the  
17                   Secretary, in whole or in part, by the grant of  
18                   a reciprocal right-of-way, or by reduction of fees  
19                   or other costs that may accrue to the owner to
