Mr. SCOTT of South Carolina (for himself, Mr. GRAHAM, Mr. HAGERTY, and Mrs. BLACKBURN) introduced the following bill; which was read twice and referred to the Committee on the Judiciary

A BILL

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Alan T. Shao II
5 Fentanyl Public Health Emergency and Overdose Preven-
6 tion Act”.

7 **SEC. 2. FINDINGS.**

8 Congress finds the following:

1 (1) More than 100,000 Americans died from
2 drug overdoses during 2021, with the majority of
3 such deaths caused by fentanyl.

4 (2) Fentanyl is a potent synthetic opioid drug
5 that is 50 times more potent than heroin and 100
6 times more potent than morphine.

7 (3) Fentanyl is involved in more deaths of
8 Americans younger than 50 years of age than any
9 other cause of death, including heart disease, cancer,
10 homicide, suicide, and other accidents.

11 (4) In 2022, the United States Drug Enforce-
12 ment Agency seized 50,000,000 fentanyl-laced pills
13 and over 10,000 pounds of fentanyl powder, which
14 is enough fentanyl to kill every American.

15 (5) Just 2 milligrams of fentanyl is considered
16 a lethal dose.

17 (6) The smuggling of fentanyl into the United
18 States constitutes a major public health crisis.

19 **SEC. 3. DEFINITIONS.**

18 or between points of entry, while the suspension described
19 in subsection (a) remains in place shall be returned to
20 their country of origin or to the country from which they
21 entered the United States as rapidly as possible to lower
22 the risk of such aliens introducing, selling, trafficking, or
23 otherwise illicitly disseminating or promoting the dissemi-
24 nation of deadly fentanyl into the United States.

1 (c) REPATRIATION FLIGHTS.—The Secretary is au-
