To direct the Secretary of Defense to review the discharge characterization of former members of the Armed Forces who were discharged by reason of the sexual orientation of the member, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JANUARY 16, 2014

Mr. SCHATZ (for himself, Mrs. GILLIBRAND, and Mr. UDALL of Colorado) introduced the following bill; which was read twice and referred to the Committee on Armed Services

A BILL

To direct the Secretary of Defense to review the discharge characterization of former members of the Armed Forces who were discharged by reason of the sexual orientation of the member, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Restore Honor to Serv-
5 ice Members Act”.

6 **SEC. 2. REVIEW OF DISCHARGE CHARACTERIZATION.**

7 (a) IN GENERAL.—In accordance with this section,
8 the appropriate discharge boards—

1 (1) shall review the discharge characterization
2 of covered members at the request of the covered
3 member; and

4 (2) if such characterization is any characteriza-
5 tion except honorable, may change such character-
6 ization to honorable.

7 (b) CRITERIA.—In changing the discharge character-
8 ization of a covered member to honorable under subsection
9 (a)(2), the Secretary of Defense shall ensure that such
10 changes are carried out consistently and uniformly across
11 the military departments using the following criteria:

12 (1) The original discharge must be based on
13 Don't Ask Don't Tell (in this Act referred to as
14 "DADT") or a similar policy in place prior to the
15 enactment of DADT.

16 (2) Such discharge characterization shall be so
17 changed if, with respect to the original discharge,
18 there were no aggravating circumstances, such as
19 misconduct, that would have independently led to a
20 discharge characterization that was any character-
21 ization except honorable. For purposes of this para-
22 graph, such aggravating circumstances may not in-
23 clude—

24 (A) an offense under section 925 of title
25 10, United States Code (article 125 of the Uni-

1 form Code of Military Justice), committed by a
2 covered member against a person of the same
3 sex with the consent of such person; or

4 (B) statements, consensual sexual conduct,
5 or consensual acts relating to sexual orientation
6 or identity, or the disclosure of such state-
7 ments, conduct, or acts, that were prohibited at
8 the time of discharge but after the date of such
9 discharge became permitted.

10 (3) When requesting a review, a covered mem-
11 ber, or the member's representative, shall be re-
12 quired to provide either—

13 (A) documents consisting of—

14 (i) a copy of the DD-214 form of the
15 member;

16 (ii) a personal affidavit of the cir-
17 cumstances surrounding the discharge; and

18 (iii) any relevant records pertaining to
19 the discharge; or

20 (B) an affidavit certifying that the mem-
21 ber, or the member's representative, does not
22 have the documents specified in subparagraph
23 (A).

24 (4) If a covered member provides an affidavit
25 described in subparagraph (B) of paragraph (3)—

1 (A) the appropriate discharge board shall
2 make every effort to locate the documents speci-
3 fied in subparagraph (A) of such paragraph
4 within the records of the Department of De-
5 fense; and

6 (B) the absence of such documents may
7 not be considered a reason to deny a change of
8 the discharge characterization under subsection
9 (a)(2).

10 (c) REQUEST FOR REVIEW.—The appropriate dis-
11 charge board shall ensure the mechanism by which covered
12 members, or their representative, may request to have the
13 discharge characterization of the covered member reviewed
14 under this section is simple and straightforward.

15 (d) REVIEW.—

16 (1) IN GENERAL.—After a request has been
17 made under subsection (c), the appropriate dis-
18 charge board shall review all relevant laws, records
19 of oral testimony previously taken, service records,
20 or any other relevant information regarding the dis-
21 charge characterization of the covered member.

22 (2) ADDITIONAL MATERIALS.—If additional
23 materials are necessary for the review, the appro-
24 priate discharge board—

1 (A) may request additional information
2 from the covered member or the member's rep-
3 resentative, in writing, and specifically detailing
4 what is being requested; and

5 (B) shall be responsible for obtaining a
6 copy of the necessary files of the covered mem-
7 ber from the member, or when applicable, from
8 the Department of Defense.

9 (e) CHANGE OF CHARACTERIZATION.—The appro-
10 priate discharge board shall change the discharge charac-
11 terization of a covered member to honorable if such change
12 is determined to be appropriate after a review is conducted
13 under subsection (d) pursuant to the criteria under sub-
14 section (b). A covered member, or the member's represent-
15 ative, may appeal a decision by the appropriate discharge
16 board to not change the discharge characterization by
17 using the regular appeals process of the board.

18 (f) CHANGE OF RECORDS.—For each covered mem-
19 ber whose discharge characterization is changed under
20 subsection (e), or for each covered member who was hon-
21 orably discharged but whose DD-214 form reflects the
22 sexual orientation of the member, the Secretary of Defense
23 shall reissue to the member or the member's representa-
24 tive a revised DD-214 form that reflects the following:

1 (1) For each covered member discharged, the
2 Separation Code, Reentry Code, Narrative Code, and
3 Separation Authority shall not reflect the sexual ori-
4 entation of the member and shall be placed under
5 secretarial authority. Any other similar indication of
6 the sexual orientation or reason for discharge shall
7 be removed or changed accordingly to be consistent
8 with this paragraph.

9 (2) For each covered member whose discharge
10 occurred prior to the creation of general secretarial
11 authority, the sections of the DD-214 form referred
12 to paragraph (1) shall be changed to similarly reflect
13 a universal authority with codes, authorities, and
14 language applicable at the time of discharge.

15 (g) STATUS.—

16 (1) IN GENERAL.—Each covered member whose
17 discharge characterization is changed under sub-
18 section (e) shall be treated without regard to the
19 original discharge characterization of the member,
20 including for purposes of—

21 (A) benefits provided by the Federal Gov-
22 ernment to an individual by reason of service in
23 the Armed Forces; and

1 (B) all recognitions and honors that the
2 Secretary of Defense provides to members of
3 the Armed Forces.

4 (2) REINSTATEMENT.—In carrying out para-
5 graph (1)(B), the Secretary shall reinstate all rec-
6 ognitions and honors of a covered member whose
7 discharge characterization is changed under sub-
8 section (e) that the Secretary withheld because of
9 the original discharge characterization of the mem-
10 ber.
