

114TH CONGRESS  
2D SESSION

# S. 2820

To amend the Safe Drinking Water Act to update and modernize the reporting requirements for contaminants, including lead, in drinking water.

---

IN THE SENATE OF THE UNITED STATES

APRIL 20, 2016

Mr. MARKEY introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

---

## A BILL

To amend the Safe Drinking Water Act to update and modernize the reporting requirements for contaminants, including lead, in drinking water.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Contaminant and Lead  
5       Electronic Accounting and Reporting Requirements  
6       (CLEARR) for Drinking Water Act of 2016”.

7       **SEC. 2. ASSISTANCE FOR DISADVANTAGED COMMUNITIES.**

8       (a) ASSISTANCE TO INCREASE COMPLIANCE WITH  
9       NATIONAL DRINKING WATER STANDARDS.—Section

1 1452 of the Safe Drinking Water Act (42 U.S.C. 300j–  
2 12) is amended—

3 (1) in subsection (b)(3), by adding at the end  
4 the following:

5 “(C) ASSISTANCE TO INCREASE COMPLI-  
6 ANCE.—An intended use plan shall provide  
7 that, of the funds received by the State in a fis-  
8 cal year through a capitalization grant under  
9 this section, the State shall, to the extent that  
10 the State receives sufficient eligible project ap-  
11 plications, reserve not less than 6 percent of  
12 those funds to provide assistance under sub-  
13 section (d) to one or more public water systems  
14 described in a list included in an intended use  
15 plan under paragraph (2)(D).”; and

16 (2) in subsection (d)—

17 (A) by redesignating paragraphs (1), (2),  
18 and (3) as paragraphs (2), (3), and (1), respec-  
19 tively;

20 (B) by moving the paragraphs so as to ap-  
21 pear in numerical order;

22 (C) in paragraph (1) (as redesignated by  
23 subparagraph (A))—

24 (i) in the first sentence—

(I) by striking “In this sub-section” and inserting the following:

3                   “(A) IN GENERAL.—In this subsection”;

4 and

5 (II) by inserting “, or a portion  
6 of the service area,” after “service  
7 area”; and

11                   “(B) AFFORDABILITY CRITERIA FOR DIS-  
12 ADVANTAGED COMMUNITIES.—

19                             “(I) the methods or criteria that  
20                             the State intends to use to identify  
21                             disadvantaged communities;

1                   local level that affect the affordability  
2                   criteria; and

3                   “(III) a description of the man-  
4                   ner in which the State will assist a  
5                   disadvantaged community under this  
6                   subsection.

7                   “(ii) ASSISTANCE TO STATES.—The  
8                   Administrator”;

9                   (D) in paragraph (2) (as redesignated by  
10                  subparagraph (A))—

11                  (i) by striking “Notwithstanding” and  
12                  inserting the following:

13                  “(A) ADDITIONAL SUBSIDIZATION.—Not-  
14                  withstanding”; and

15                  (ii) by adding at the end the fol-  
16                  lowing:

17                  “(B) DIRECT AND PRIMARY BENEFIT.—  
18                  Any additional subsidization provided under  
19                  subparagraph (A) shall directly and primarily  
20                  benefit the disadvantaged community.”; and

21                  (E) in paragraph (3) (as redesignated by  
22                  subparagraph (A)), by striking “paragraph (1)”  
23                  and inserting “paragraph (2)”.

24                  (b) CONFORMING AMENDMENT.—Section  
25                  1452(f)(1)(B) of the Safe Drinking Water Act (42 U.S.C.

1 300j–12(f)(1)(B)) is amended by striking “subsection  
2 (d)(3)” and inserting “subsection (d)(1”).

3 **SEC. 3. DRINKING WATER QUALITY IMPROVEMENT FOR MI-**  
4 **NORITY, TRIBAL, AND LOW-INCOME COMMU-**  
5 **NITIES.**

6 (a) DEFINITIONS.—In this section:

7 (1) ADMINISTRATOR.—The term “Administrator” means the Administrator of the Environmental Protection Agency.

10 (2) WATER QUALITY TESTING.—The term “water quality testing” means the testing of drinking water for the presence of lead or any other contaminant that poses a public health risk.

14 (b) FORMAL GUIDANCE.—The Administrator shall issue formal guidance to develop a process to protect and improve the drinking water of minority, tribal, and low-income communities.

18 (c) EXPEDITED WATER QUALITY TESTING.—

19 (1) IN GENERAL.—In developing the process described in subsection (b), the Administrator shall establish and maintain, within the Office of Environmental Justice of the Environmental Protection Agency, a process by which a minority, tribal, or low-income community, as defined by the Director of the Office of Environmental Justice of the Environ-

1       mental Protection Agency, may request expedited  
2       water quality testing of the drinking water of the  
3       community for the presence of lead or any other  
4       contaminant that poses a public health risk to indi-  
5       viduals in the community.

6                 (2) RESULTS.—The Administrator shall provide  
7       to the requestor the results of an expedited water  
8       quality testing carried out in accordance with para-  
9       graph (1) in a timely manner.

10                (3) WEBSITE.—The Administrator shall develop  
11       and maintain a publicly accessible website through  
12       which a request for expedited water quality testing  
13       in accordance with paragraph (1) may be submitted,  
14       in compliance with applicable Federal law (including  
15       regulations) and policies relating to the protection of  
16       individual privacy.

17                (4) PERFORMANCE MEASURE.—

18                         (A) IN GENERAL.—The Administrator  
19       shall develop a performance measure for the ex-  
20       pedited water quality testing carried out in ac-  
21       cordance with paragraph (1) to determine the  
22       average number of days between the date of  
23       submission of a request for expedited water  
24       quality testing and the date of completion of a  
25       request.

(B) REPORTING.—The performance measure described in subparagraph (A) shall be published on the website described in paragraph (3) not less frequently than once each calendar year.

6 (d) ELECTRONIC DATABASE.—The Administrator  
7 shall develop and maintain an electronic database of water  
8 quality and health screening tests that includes the results  
9 of any—

10                   (1) water system supplier water quality test re-  
11       quired under the Safe Drinking Water Act (42  
12       U.S.C. 300f et seq.);

24 (e) REGIONAL LIAISON.—

1                             (1) IN GENERAL.—In developing the process  
2                             described in subsection (b), the Administrator shall  
3                             ensure that not fewer than 1 employee in each re-  
4                             gional office of the Environmental Protection Agency  
5                             will serve as a liaison to minority, tribal, and low-  
6                             income communities in the relevant region.

7                             (2) PUBLIC IDENTIFICATION.—The Adminis-  
8                             trator shall prominently identify each regional liai-  
9                             son selected under paragraph (1) on the website  
10                             of—

11                             (A) the relevant regional office of the Envi-  
12                             ronmental Protection Agency; and  
13                             (B) the Office of Environmental Justice of  
14                             the Environmental Protection Agency.

15                             (f) COMMUNITY PARTNERSHIP.—The Administrator  
16                             may make grants to community organizations that rep-  
17                             resent, operate in, or serve a minority, tribal, or low-in-  
18                             come community, as determined by the Administrator, to  
19                             educate the residents of the community on—

20                             (1) contaminants in drinking water that may  
21                             have an adverse effect on human health; and

22                             (2) assistance that the Administrator may pro-  
23                             vide to residents to identify and address a drinking  
24                             water contaminant that may have an adverse effect  
25                             on human health.

1           (g) PUBLIC INTEREST SCIENCE PARTNERSHIPS.—

2   The Administrator may create a partnership with an aca-  
3 demic or research institution, including another Federal  
4 agency, to conduct or promote science that serves the pub-  
5 lic interest by sharing data or costs or engaging in any  
6 other activity of mutual benefit—

7               (1) to identify—

8                   (A) any contaminant in drinking water  
9                  that may have an adverse effect on human  
10                 health; and

11                   (B) a significant public health crisis caused  
12                 by any violation or contamination that—

13                       (i) has the potential to have a serious  
14                  adverse effect on human health that re-  
15                 quires notice under section 1414(c)(2)(C)  
16                 of the Safe Drinking Water Act (42 U.S.C.  
17                 300g-3(c)(2)(C)); or

18                       (ii) may present an imminent and  
19                  substantial endangerment to the health of  
20                 persons (within the meaning of section  
21                 1431(a) of the Safe Drinking Water Act  
22                 (42 U.S.C. 300i(a))); and

23                       (2) to measure the risk that a minority, tribal,  
24                 or low-income community faces from contaminants

1       in drinking water that may have an adverse effect  
2       on human health.

3           (h) AUTHORIZATION OF APPROPRIATIONS.—There  
4       are authorized to be appropriated for the period of fiscal  
5       years 2018 through 2022—

6              (1) to carry out subsection (e), \$2,000,000;  
7              (2) to provide grants to community partners to  
8       carry out subsection (f), \$5,000,000; and  
9              (3) to carry out subsection (g), \$10,000,000.

10 **SEC. 4. COMPLIANCE AND INSPECTIONS OF PUBLIC WATER**

11                   **SUPPLIES.**

12       (a) REPORTING NONCOMPLIANCE.—Section  
13 1452(b)(2) of the Safe Drinking Water Act (42 U.S.C.  
14 300j–12(b)(2)) is amended—

15              (1) in subparagraph (B), by striking “and” at  
16       the end;

17              (2) in subparagraph (C), by striking the period  
18       at the end and inserting “; and”; and

19              (3) by adding at the end the following:

20                  “(D) a list that includes—

21                      “(i) any public water system in the  
22       State that—

23                      “(I) has in effect an exemption  
24       or variance for any national primary  
25       drinking water regulation;

1               “(II) is in persistent violation of  
2               any requirement for a maximum con-  
3               taminant level or treatment technique  
4               under a national primary drinking  
5               water regulation; or

6               “(III) the State or Administrator  
7               determines may present an imminent  
8               and substantial endangerment to the  
9               health of persons (within the meaning  
10              of section 1431(a));

11              “(ii) the relevant national primary  
12              drinking regulation for the exemption,  
13              variance, or violation; and

14              “(iii)(I) the effective date of the ex-  
15              emption or variance; or

16              “(II) the date on which the persistent  
17              violation began.”.

18       (b) ADVICE AND TECHNICAL ASSISTANCE.—Section  
19    1414(a)(1) of the Safe Drinking Water Act (42 U.S.C.  
20    300g-3(a)(1)) is amended—

21              (1) in subparagraph (A)—

22              (A) in the undesignated matter preceding  
23              clause (i), by striking “Whenever” and insert-  
24              ing “The Administrator shall notify the State

1           and the public water system of noncompliance  
2        by the public water system if";

3           (B) in clause (ii), by striking "pursuant  
4        thereto," and inserting "in accordance with  
5        that variance or exemption."; and

6           (C) by striking the undesignated matter  
7        following clause (ii); and

8        (2) by adding at the end the following:

9                "(C) ADVICE AND TECHNICAL ASSIST-  
10          ANCE.—

11                "(i) IN GENERAL.—After providing  
12        notice of noncompliance to the State and  
13        the public water system under subparagraph  
14        (A), the Administrator may provide  
15        such advice and technical assistance to the  
16        State and public water system as the Adminis-  
17        trator determines appropriate to  
18        bring the public water system into compli-  
19        ance with the variance or exemption by the  
20        earliest date feasible.

21                "(ii) CONSIDERATIONS.—In making a  
22        determination to provide advice and tech-  
23        nical assistance under clause (i), the Adminis-  
24        trator may consider—

1                         “(I) the potential for the non-  
2                         compliance to result in a serious ad-  
3                         verse effect to human health;

4                         “(II) whether the noncompliance  
5                         has occurred continuously or fre-  
6                         quently; and

7                         “(III) the effectiveness of any  
8                         past technical assistance effort.”.

9                         (c) ADDITIONAL INSPECTIONS.—Section 1414 of the  
10 Safe Drinking Water Act (42 U.S.C. 300g-3) is amend-  
11 ed—

12                         (1) by redesignating subsections (d) through (i)  
13                         as subsections (e) through (j), respectively; and

14                         (2) by inserting after subsection (c) the fol-  
15                         lowing:

16                         “(d) ADDITIONAL INSPECTIONS AFTER A VIOLA-  
17 TION.—

18                         “(1) IN GENERAL.—After consultation with the  
19 States, the Administrator shall, by regulation, pre-  
20 scribe the number, frequency, and type of additional  
21 inspections that shall be carried out after any viola-  
22 tion that requires notice under subsection (c).

23                         “(2) REGULATIONS.—The regulations issued  
24 under paragraph (1) shall—

25                         “(A) take into account—

1                     “(i) the difference between—  
2                         “(I) intermittent or infrequent  
3                         violations; and  
4                         “(II) continuous or frequent vi-  
5                         lations;  
6                     “(ii) the seriousness of any potential  
7                         adverse health effect that may be related  
8                         to a violation; and  
9                         “(iii) the number and severity of a  
10                         past violation by a public water system;  
11                         and  
12                     “(B) specify the procedure for an inspec-  
13                         tion after a violation by a public water system  
14                         that has the potential to cause a serious adverse  
15                         effect on human health due to short-term expo-  
16                         sure to a contaminant.”.

17                     (3) CONFORMING AMENDMENTS.—

18                     (A) Section 1414 of the Safe Drinking  
19                         Water Act (42 U.S.C. 300g-3) is amended—  
20                         (i) in subsection (a)—  
21                             (I) in paragraph (1)(B), by strik-  
22                             ing “subsection (g)” and inserting  
23                             “subsection (h)”; and  
24                             (II) in paragraph (2)(A), in the  
25                             undesignated matter following clause

1 (ii), by striking “subsection (g)” and  
2 inserting “subsection (h)”; and  
3 (ii) in subsection (b), in the undesig-  
4 nated matter preceding paragraph (1), by  
5 striking “subsection (g)” and inserting  
6 “subsection (h)”.

## 13 SEC. 5. ELECTRONIC REPORTING OF TEST RESULTS.

14 Section 1414 of the Safe Drinking Water Act (42  
15 U.S.C. 300g-3) (as amended by section 4(c)(1)) is amend-  
16 ed by adding at the end the following:

17       “(k) ELECTRONIC REPORTING OF COMPLIANCE  
18 MONITORING DATA.—Not later than 1 year after the date  
19 of enactment of this subsection, the Administrator shall  
20 issue a final rule that establishes requirements for elec-  
21 tronic submission—

22               “(1) by public water systems of all compliance  
23               monitoring data—  
24               “(A) to the Administrator; or

1               “(B) with respect to a public water system  
2               in a State that has primary enforcement re-  
3               sponsibility under section 1413, to that State;  
4               and

5               “(2) by each State that has primary enforce-  
6               ment responsibility under section 1413 to the Ad-  
7               ministrator all compliance monitoring data sub-  
8               mitted by a public water system to the State under  
9               paragraph (1)(B).”.

10 **SEC. 6. PRIORITY OF APPLICATIONS.**

11               Section 1452(b)(3)(A) of the Safe Drinking Water  
12 Act (42 U.S.C. 300j–12(b)(3)(A)) is amended—

13               (1) in clause (ii), by striking “and” at the end;  
14               (2) in clause (iii), by striking the period at the  
15               end and inserting a semicolon; and

16               (3) by inserting at the end the following:

17               “(iv) improve—

18                       “(I) real-time continuous on-site  
19                       electronic monitoring; or

20                       “(II) transmission of testing re-  
21                       sults; and

22                       “(v) improve the ability of a public  
23                       water system—

24                       “(I) to protect human health;  
25                       and

1                         “(II) to comply with this title in  
2                         manner that is affordable.”.

3   **SEC. 7. NOTIFICATION OF THE CENTERS FOR DISEASE**  
4                         **CONTROL AND PREVENTION AND STATE**  
5                         **HEALTH AGENCIES.**

6                         Section 1414(c)(2)(C) of the Safe Drinking Water  
7   Act (42 U.S.C. 300g-3(c)(2)(C)) is amended—

8                         (1) in clause (iii)—

9                         (A) by striking “Administrator or” and in-  
10                         serting “Administrator, the Director of the  
11                         Centers for Disease Control and Prevention,  
12                         and, if applicable,”;

13                         (B) by inserting “and the appropriate  
14                         State and county health agencies” after  
15                         “1413”; and

16                         (C) by striking “and” at the end;

17                         (2) by redesignating clause (iv) as clause (v);  
18                         and

19                         (3) by inserting after clause (iii) the following:  
20                         “(iv) be provided to each person  
21                         served by the public water system—

22                         “(I) in the first billing statement  
23                         that the public water system prepares  
24                         after the date on which the violation  
25                         occurs; and

1               “(II) in a manner consistent with  
2               clause (ii); and”.
