## A BILL

To amend the Public Health Service Act to provide for the establishment of a Task Force on Youth Mental Health Data Integration.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Youth Mental Health  
5 Data Act of 2023”.

**6 SEC. 2. TASK FORCE ON YOUTH MENTAL HEALTH.**

7       Title III of the Public Health Service Act (42 U.S.C.  
8 241 et seq.) is amended by inserting after section 317L–  
9 1 (42 U.S.C. 247b–13a) the following:

1   **“SEC. 317L-2. TASK FORCE ON YOUTH MENTAL HEALTH**2                   **DATA INTEGRATION.**

3         “(a) ESTABLISHMENT.—Not later than 90 days after  
4   the date of enactment of the Youth Mental Health Data  
5   Act of 2023, the Secretary, in consultation with the Be-  
6   havioral Health Coordinating Council, the Interagency  
7   Working Group on Youth Programs, and any other coun-  
8   cils on children designated by the Secretary, shall establish  
9   a task force, to be known as the Task Force on Youth  
10   Mental Health Data Integration (referred to in this sec-  
11   tion as the ‘Task Force’), to assess and make rec-  
12   ommendations to improve Federal data systems on youth  
13   mental health.

14         “(b) MEMBERSHIP.—

15                 “(1) COMPOSITION.—The Task Force shall be  
16   composed of—

17                     “(A) the Assistant Secretary for Health of  
18   the Department of Health and Human Services  
19   (or the Assistant Secretary’s designee) who  
20   shall serve as the Chair of the Task Force;

21                     “(B) the Federal members under para-  
22   graph (2); and

23                     “(C) the non-Federal members under para-  
24   graph (3).

25                 “(2) FEDERAL MEMBERS.—In addition to the  
26   Assistant Secretary for Health, the Federal mem-

1       bers of the Task Force shall consist of the heads of  
2       the following Federal departments and agencies (or  
3       their designees):

21              health;

22              “(iii) individuals under age 21, includ-  
23              ing at least one such individual who has  
24              received a diagnosis of a mental health  
25              condition;

1                         “(iv) individuals ages 21 to 24, in-  
2                         cluding at least one such individual who  
3                         has received a diagnosis of a mental health  
4                         condition;  
5                         “(v) representatives of media and  
6                         technology companies; and  
7                         “(vi) other representatives, as appro-  
8                         priate.

9                 “(4) DEADLINE FOR DESIGNATING DES-  
10                 IGNEES.—If the Assistant Secretary for Health, or  
11                 the head of a Federal department or agency serving  
12                 as a member of the Task Force under paragraph  
13                 (2), chooses to be represented on the Task Force by  
14                 a designee, the Assistant Secretary or head shall  
15                 designate such designee not later than 90 days after  
16                 the date of the enactment of the Youth Mental  
17                 Health Data Act of 2023.

18                 “(c) NATIONAL STRATEGY.—The Task Force shall  
19                 develop a national strategy to improve data systems to un-  
20                 derstand youth mental health needs, services, and evi-  
21                 dence-based or evidence-informed interventions, including  
22                 processes for—

23                 “(1) data integration across governments and  
24                 health systems, to enable real-time, longitudinal sur-  
25                 veillance of youth mental health trends, including

1 de-identified data that can be disaggregated, with  
2 appropriate protections to ensure the anonymity and  
3 personal privacy of youth with mental health condi-  
4 tions or functional mental health needs, by—

5 “(A) location, at the State and national  
6 levels;

7 “(B) age;

8 “(C) gender;

9 “(D) race;

10 “(E) ethnicity;

11 “(F) mental health diagnosis;

12 “(G) insurance status and payor type;

14 primary care provider type and, if applicable,  
15 mental health specialist type;

16 “(I) youth involved in the juvenile justice  
17 system;

18 “(J) youth involved in the child welfare  
19 system; and

20 “(K) other relevant categories identified by  
21 the Task Force;

22 “(2) tracking the use of electronic health  
23 records among pediatric primary care and mental  
24 health service providers, and barriers to such use;

1           “(3) developing and strengthening public-private  
2 research partnerships between academic institutions,  
3 community-based organizations, media and  
4 technology companies, health care organizations, and  
5 others, as appropriate, to understand needs, risk and  
6 protective factors, and outcomes for youth mental  
7 health;

8           “(4) tracking the scale of use and outcomes associated  
9 with innovative, scalable therapies and approaches, such as self-guided, computerized, and  
10 group-based therapies and peer support programs;

12           “(5) using dissemination and implementation science to scale up evidence-based or evidence-informed prevention, screening, and treatment of mental health conditions in systems that serve youth, such as academic, health care, social services, child welfare, and juvenile justice settings;

18           “(6) understanding social media and digital technology’s impact on youth mental health, evaluating guardrails for safe use of media and digital technology by youth, and identifying opportunities for the use of technology to engage youth and families in positive mental health behaviors and suicide prevention, including use of the 988 Suicide and Crisis Lifeline;

1               “(7) facilitating information sharing between  
2 federally-funded research and programs addressing  
3 youth mental health in order to maximize the impact  
4 of such programs and inform related State and Fed-  
5 eral programs; and

6               “(8) creating a public-facing website that inte-  
7 grates and displays real-time information on youth  
8 mental health needs and trends, the status of feder-  
9 ally-funded work to address such needs, and oppor-  
10 tunities for community-based organizations to sup-  
11 port youth mental health.

12               “(d) MEETINGS.—The Task Force shall—

13               “(1) meet not less than 4 times each year; and  
14               “(2) convene public meetings, as appropriate, to  
15 fulfill its duties under this section.

16               “(e) REPORTS TO THE PUBLIC AND FEDERAL LEAD-  
17 ERS.—The Task Force shall make publicly available and  
18 submit to the heads of relevant Federal departments and  
19 agencies, the Committee on Health, Education, Labor,  
20 and Pensions of the Senate, the Committee on Energy and  
21 Commerce of the House of Representatives, and other rel-  
22 evant congressional committees, the following:

23               “(1) Not later than 1 years after the first meet-  
24 ing of the Task Force, an initial national strategy  
25 under subsection (c).

1               “(2) Each year thereafter—  
2                       “(A) an updated national strategy under  
3                           subsection (c), as appropriate; and  
4                       “(B) a report summarizing the activities of  
5                           the Task Force.  
6               “(f) REPORTS TO GOVERNORS.—Upon finalizing the  
7                   national strategy under subsection (c), or a subsequent  
8                   update to such strategy pursuant to subsection (e)(2)(A),  
9                   the Task Force shall submit to the governors of all States  
10                  a report describing opportunities for local- and State-level  
11                  partnerships identified under subsection (c)(3) and infor-  
12                  mation sharing described in subsection (c)(7).  
13               “(g) SUNSET.—The Task Force shall terminate on  
14                  the date that is 5 years after the date on which the Task  
15                  Force is established under subsection (a).”.
